# LIONS INTERNATIONAL OBJECTS

## To create

and foster a spirit of understanding  
among the people of the world.

## To promote

the principles of good government and  
good citizenship.

## To take

an active interest in the civic, cultural,  
social and moral welfare of the community.

## To unite

the clubs in the bounds of friendship,  
good fellowship and mutual understanding.

## To provide

a forum for the open discussion of all  
matters of public interest; provided  
however that partisan politics and sectarian  
Religion shall not be debated by club members.

## To encourage

service minded men to serve their community  
without personal finance reward,  
and to encourage efficiency and promote  
high standards in commerce, industry,  
profession, public works and private endeavours.

## LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.  
To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit on success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's  
To be loyal to my clients or customers and true to myself.  
to resolve such doubt against myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others,  
to resolve such doubt against myself.

To hold friendship as an end and not a means.  
To hold that true friendship exists not on account of the service performed by one to another,

but that true friendship demands nothing but accepts service in the spirit in which it is given.

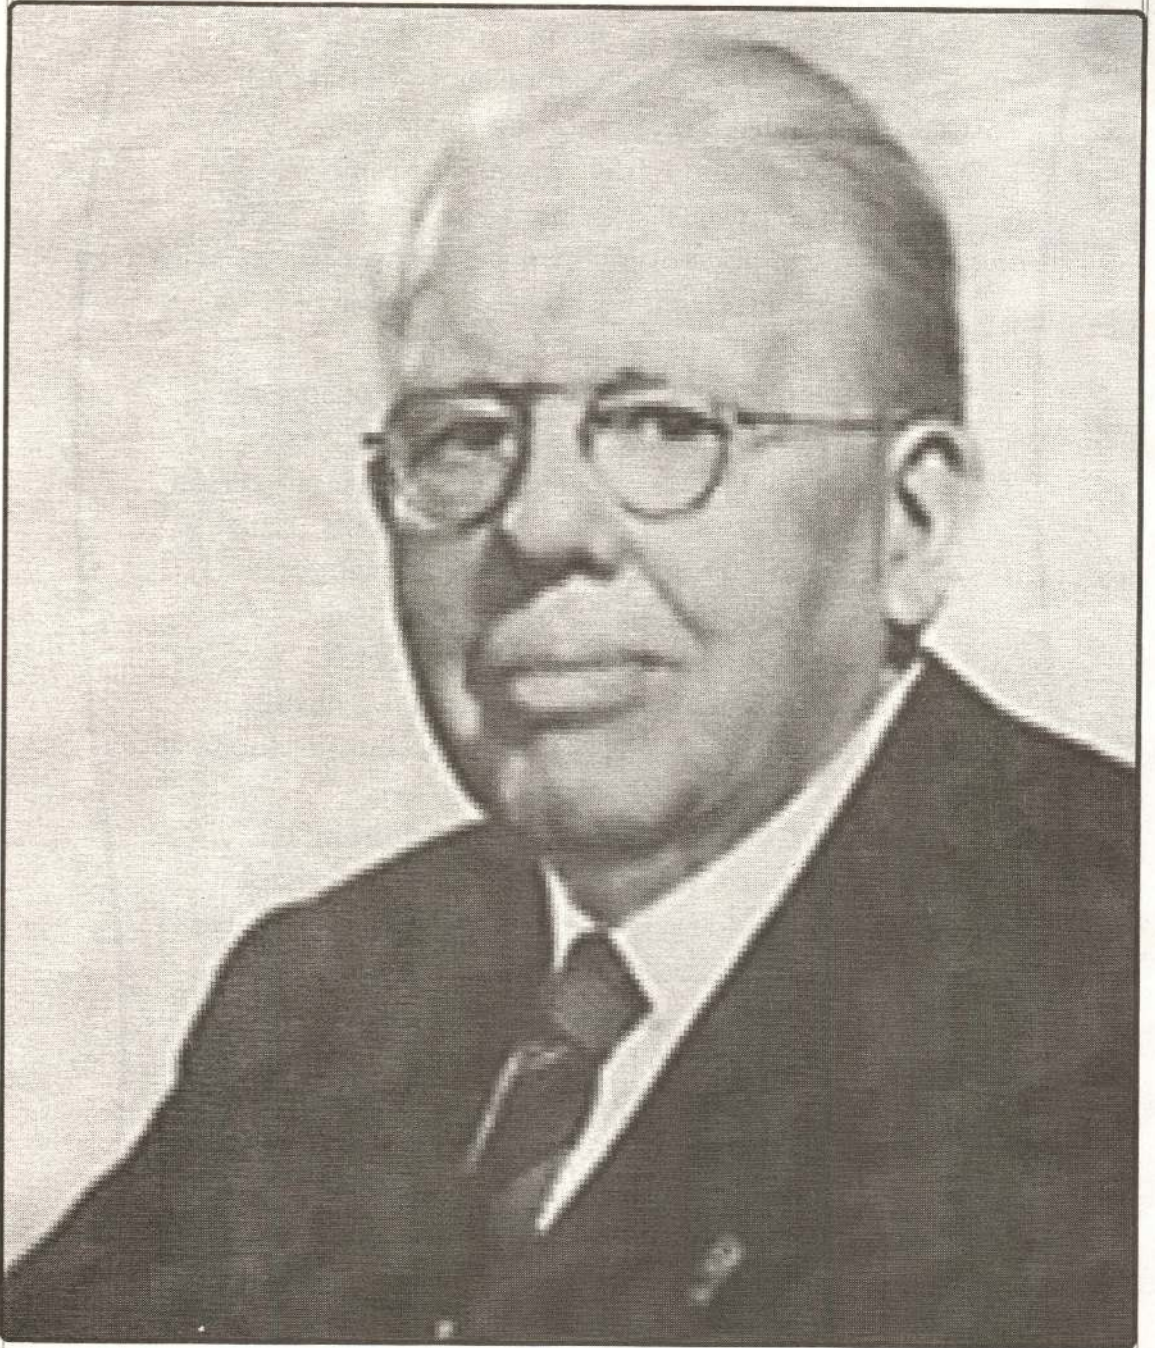

Always to bear in mind my obligations as a citizen to my nation,  
my state and my community,

and to give them my unswerving loyalty in word,  
act and deed, To give them freely of my time labor and means.

To aid others by giving my sympathy to those in distress,  
my aid to the weak, and my substance to the needy.

To be careful with my criticism and  
liberal with my praise: to build up and not destroy.

## *Message from the District Governor*

I consider it a privilege to send this message for the Souvenir published to mark the 2<sup>nd</sup> Annual Convention of our District.

Let me at the outset welcome our chief guest International President 2003-04 Dr Tae-Sup "TS" Lee, who kindly accepted our invitation to grace this most important event of our district. I am indebted to the Chairperson and all the members of the Convention Steering Committee for the pains they have taken to make the 2<sup>nd</sup> Annual Convention of our District a Memorable one. I know they have left no stones unturned to ensure that everything would work with precision and that all the participants would enjoy every moment of it and take back with them pleasant memories of a fine convention.

The District Convention is the culmination of the activities of the District and the showcase of achievements as a team and the progress we have made, at which the Members would feel the taste of success. They will reap the fruits of almost a year's labour through the results of the District Contest. Unfortunately, in no contest could all be winners. Most of the clubs are good, but the better will stand out, while the best will win. Let me extend my congratulations to the winners. To the others, the fact that they have come close to winning is an encouragement to do better next year. The most important factor is that this contest has undoubtedly created better quality and quantity in service, the ultimate benefit of which has accrued to the community we serve.

We started the year with a vision to move away from the traditional one-off ad-hoc projects to, activities that would have a lasting impact on the community. In line with this vision, we embarked on an ambitious project, to set up a Cardiac Investigation Unit at the Negombo Base Hospital at a cost of Rs 9 Million which was the dream project of the District. This project is nearing completion and would be officially decaled open on Saturday May 18, 2007. I wish to say a big THANK YOU! To each and every one of you for your support in making this dream a reality. I have no doubt all those people living along the coastal belt from Wattala to Mannar who would benefit from this project would be ever so grateful to Lions for this facility which is a luxury those poor cannot afford.

The Lion Ladies played a major role in raising funds for the project though their fund raiser "Rhythms Close to the Heart" sing-along. The Fund raising team also did a fantastic job in making the Maruti Car Raffle a viable project under extremely difficult circumstances.

Regardless of the security situation in the country especially in the North which led to the closure of A9 early in the year, the Clubs continued their service activities. It is heartening to note that the Clubs in the war torn areas were also quite active despite their own situation. With this commitment the District has carried out over 1500 projects at a value of more than sixty million rupees. This is excluding the nine million rupee cardiac unit.

We have also extended six new clubs during this period keeping to the promise we had made to the International President.

Let us complete within the next few weeks, what we have started and leave no loose ends for the next team. Let us support a smooth baton change which would help the district to gather further momentum in the ensuing year under the Leadership of Vice District Governor Lion Raghavan.

Voting delegates, I invite you to use your franchise wisely. Let us please have a clean election. Once the election is over let us leave it behind, continuing the camaraderie and good work, irrespective of whoever wins.

A special word of appreciation to the Souvenir committee especially the chairperson Lion Amutha Gobalan for the untiring efforts to put this out on time.

Lalith Fernando  
District Governor

## Message from the Chief Guest

My fellow Lions,

Please accept my personal greetings and Lionistic good wishes on the occasion of the Annual Convention of District 306-B1. It is a great honor to share with you during this historic time of Sri Lankan Lionsism.

This is a very exciting time to be a Lion. For nearly 50 years, the Lions of Sri Lanka have helped change the world for the better. Now, for the first time, the Lions of this great country have seen one of their own rise to the highest office in our international organization. Lion Mahendra Amarasuriya has spent the last 38 years exemplifying the "We Serve" spirit of Lionism and has been dedicated to all for which our association stands.

I am happy to convey warm greetings from Lions of Korea. Lions of Sri Lanka and Korea have enjoyed very close friendship through sisterhood relations between District 306-B1 of Sri Lanka and District 354-B of Korea.

Another reason for us to share in our excitement as Lions, is Campaign SightFirst II. As we approach the final year of CSF II, we must continue to show the commitment and dedication that sets Lions apart from the rest of the world. Thanks to your full support and the support of Lions around the world, Campaign SightFirst II will build on the more than US\$87 million that has been raised to date and expand the SightFirst program, which has helped save millions of people from blindness.

As Chairperson of Campaign SightFirst II, I ask the Lions of Sri Lanka to embrace the campaign with the same enthusiasm that you bring to all your endeavors. I am confident that through strong leadership and your passion for service you will reach and exceed your multiple district goal of US\$1 million for CSFa!.

If we share in the responsibility for the success of Campaign SightFirst II, we will share in the joy that the SightFirst program brings and in the Lionistic pride that that comes from fulfilling our commitment as "Knights of the Blind".

Yours in Lionism,

Dr. Tae-Sup Lee  
Past International President

## *Message from the International President*

Thank you for attending the Lions District 306-B1 second Annual Convention.

This convention provides a unique opportunity for Lions in your district to come together and discuss what clubs in your area have accomplished, how to improve upon current programs, how your clubs can work together to meet the needs of your district and what you can do to assist in the development of new clubs.

This gathering provides you with the time to reassess the goals of your club and district, and to create ways to meet those goals. Discuss creative and new ways in which you have served your community and other Lions have served theirs. By exchanging ideas with your fellow Lions, your club may find a new activity to extend into your community or you may inspire another club in your district to expand upon a program your club is passionate about. As much as you and your fellow Lions have accomplished, there are still many in need that we can help. Your active participation in this convention is helpful to you, your club, other clubs within your district and to the communities that your district serves.

Your commitment to the Lions motto of "We Serve" continues to make Lions Clubs International so successful. Best wishes in your continued service.

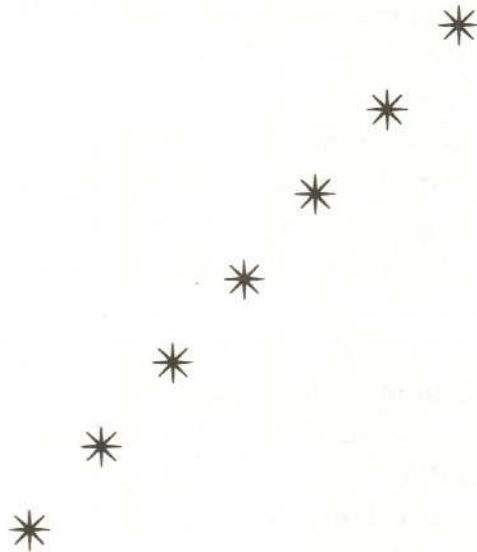

Yours truly,

Jimmy M. Ross

International President

## *Message from the International 1st Vice President*

District 306 B1 under the leadership of DG Lalith Fernando has recorded a year of growth and consolidation with 6 new Clubs being formed. It is also anticipated that there will be a nett increase of over 200 members by the end of the year.

By obtaining LCIF funding for upgrading of the Cardiology Unit at the Negombo Base Hospital, the District has been able to satisfy an important need of the community. The quality and variety of projects conducted by the Clubs during the year have been outstanding.

Successful attempts have been made to develop the weak Clubs and improve their administration, thereby strengthening the District to a great extent. The District Governor and the District Cabinet must be congratulated for their dedicated efforts to assist the Clubs to perform more effectively.

The District Convention which is the highlight of the year will give the opportunity for Lions from all parts of the District to meet and discuss many important issues including the future direction in which the District should proceed to make an even greater impact in the community. The District Convention also provides an opportunity for the members to elect the new leaders and to get an idea of the new District Governor's programme of activities and his vision for the District. The elaborate planning that has gone into the organisation of the Convention will ensure that it is a very special one.

I wish to convey my appreciation for the dedicated efforts of the Chairman and Members of the Convention Steering Committee for their commitment which will undoubtedly result in a memorable Convention.

Whilst congratulating DG Lalith Fernando for leading the District another successful year of service, I wish the Convention all success !

### *Message from the Multiple Council Chairman*

It is with pleasure I wish to pen this message to the Second Annual District Convention of District 306 B1.

An Annual Convention in our organisation gives an opportunity to review the work done in the year gone. In that sense I am confident that District 306 B1 had achieved its desired results. The District Governor Lalith has with his professional background given the District the leadership that is necessary to take the District to a successful year of Lionism both in the field of administration and service. Thanks to his vision a Cardiac Investigation Unit to the Negombo Hospital has materialised with financial assistance of LCIF thereby meeting a much needed facility in the area to serve the community at large.

While congratulating District Governor Lalith and his team for an excellent year of Lionism, Pushpa joins me in sending our warmest wishes to all Lions, Lion ladies and Leos for an enjoyable Convention.

## *Message from the Past International Director*

The Annual Convention of a District is an unique event. It highlights the democratic process of Lionism that each year, each Sub District has the opportunity of electing a leader who in turn takes his/her position as representative of the International Board of Directors with the special responsibility of effectively administering the District..

All of us are aware that service is the main purpose of our Association. Sadly, it is not easily visible in our day to day lives. The Annual Convention gives us the opportunity to at least once during the year highlight all those acts of humanitarian service which Lions individually or as a group conceived, organized and effectively implemented for the communities they serve. This knowledge made freely available to the public would probably substantially enhance not only the high regard with which Lions are held, but also generate support for Lions programmes by public acceptance that an essential and vital service programme is assisting the upliftment of people.

I wish all those present at the Convention, an enjoyable and memorable weekend resulting not only from successes of the past year, but equally the hopes and plans for the future as we go forward to consider the "Challenge to Change".

## *Message from the Past International Director*

I consider it a privilege to forward this message on the occasion of the 2<sup>nd</sup> Annual Convention of District 306 B1.

Lions Clubs International and its members have for the last five decades been in the forefront of community and social service and have contributed richly to our national life.

Getting together at an Annual Convention will create an awareness among each of the Clubs members of their service activities and would assist in motivating others to follow their example, encouraging a fruitful exchange of ideas and views and would foster friendship and understanding between one-another.

The vision of our great organization remains clear, but our future is full of challenges. The biggest challenge facing lionism today is the declining membership and the need to attract young members in order to takeover the leadership and the future of the organization.

As the needs of our communities that we serve continue to become larger, it is imperative that we increase our membership with young and quality, dedicated men and women, in order to meet the challenges ahead of us.

Our motto "We Serve" has never been so more appropriate than it is today and therefore we should share our success story and our vision with the best men and women and ensure our motto reaches the future generations.

We wish to congratulate our District Governor of District 306 B1 for his great dedication and leadership and offer our blessings to all you Lions, Lion Ladies and Leos for your commitment towards serving our lesser fortunate brothers and sisters.

## *Message from the Chairman Convention Steering Committee*

Annual Convention is an occasion we take stock of the humanitarian services we have provided to the betterment of the community we serve, rejoice over our collective efforts as members of the Lions fraternity and look forward to greater deeds for the future as our emblem depicts. As a disciplined organization we also review our administrative processes with particular focus on membership retention and growth, accountability of public as well as members' funds raised for service projects etc. It is also an occasion for the Lions members and their families from different parts of the country to meet and greet each other in fellowship and friendship.

Accordingly, Our District 306 Bl under the umbrella of Multiple District 306 Sri Lanka affiliated to the International Association of Lions Clubs has every reason to celebrate, having fulfilled our objectives Administratively as well as on the service front.

Therefore it is my pleasure and pride to subscribe this message to the special Event Souvenir published to mark the 2<sup>nd</sup> Annual convention of District 306 Bl. I take this opportunity to congratulate the District Governor Lion Lalith Fernando for the excellent leadership provided to the District this year in maintaining good administrative practices and activating the service front effectively. I also take this opportunity to congratulate the Vice District Governor Lion Raghavan, Members of the District Cabinet, the Club leadership and the members and the Ladies of our District as a whole for their success through commitment and dedication to service.

The presence of our Past International President Dr. Tae Sup Lee with his gracious lady Haing-Ja as the Chief Guests at this Annual convention has certainly added meaning and color to the event. I extend my sincere appreciation to both of them

In conclusion, together with my Lady Anne, I wish to extend my sincere thanks to the District Governor, Vice District Governor, All Chairmen and members of the Convention Steering committee for the cooperation extended to me towards the success of this Annual Convention

Thank You and may God bless us all!

### *Message from the Vice District Governor*

It is with great pleasure I am sending this message to the souvenir to be published to mark the Second Annual District Convention of our District 306B1. Our District is completing another successful year of service to the humanity under the leadership of Governor Lion Lalith Fernando and it will be a proud moment for him and for all of us at this convention to recall and remember all the important service projects we have done this year under his exemplary leadership and recognize and reward all the lion members who have contributed towards the success. It has been a great experience for me working with him as the Vice District Governor and as his Chairman, MERL Committee. He never hesitated to share his valuable experience and motivate us to perform better.

When the district is planning to celebrate the Golden Jubilee and the lions gearing themselves to meet the challenge to change, our leader Lion Lalith Fernando has set an example and laid a strong foundation to the district. My Lion Lady Ranjini joins me in congratulating our leader Lion Lalith Fernando, his gracious lady Nimali and all the lions and Lion ladies for the remarkable achievement during this year and look forward to your continued support next year too.

### *Message from the District Governor Elect*

It is with immense pleasure that I subscribe a message to the souvenir published to mark the 2<sup>nd</sup> Annual District Convention of our sister District 306B1. Though Lions District 306 B was bifurcated into B1 & B2, we still maintain the cordial friendships built over the years.

This year we have the good fortune to have Lion Mahendra Amarasuriya taking over the reigns of International President, truly a proud moment for all the lions of Sri Lanka. International President Mahendra has posed us a challenge to change. Let us truly endeavor to change for the better. What we need is a paradigm shift in our traditional ways of thinking. We are accustomed performing certain projects and achieving at a certain level. But we should not allow the past to hold us hostage, we need to throw open the windows of possibility. Not to change means that past dictates to us instead of our taking hold and directing the future

Let me take this opportunity to congratulate District Governor Lion Lalith Fernando and his team for having had a good year of rewarding lionism. It would be appropriate to wish District Governor elect Lion Raghavan a wonderful year of active

I wish the Lions, Lion Ladies and Leos of District 306 B1 a rewarding Annual District convention.

## *Message from the District Chairperson Lion Ladies*

It gives me great pleasure to send this message for the souvenir to be published to mark the 2<sup>nd</sup> Annual District Convention.

As the District Chairperson Lion Ladies, I wish to state that under the dynamic leadership of our District Governor Lion Lalith Fernando and our First Lady, Lion Lady Nimali the District has had a successful year.

The Lion Ladies Committee were able to carry out some projects, such as a Health clinic for school children in Negombo, the distribution of wheel chairs and spectacles to the needy fishermen. In October to mark children's Day the Ladies in collaboration with the Red Cross Society, Gampaha, distributed school books, milk and Food items in Kimbulapitiya,

A fund-raiser in the form of a "Sing Along" was successfully held on the 7<sup>th</sup> October, 2007, at the BMICH. Proceeds were donated towards the "Cardiac Investigation Unit" to be set up at the Negombo Base hospital. This worthy cause is the main project of the District and hence the committee responded to this Life saving Project.

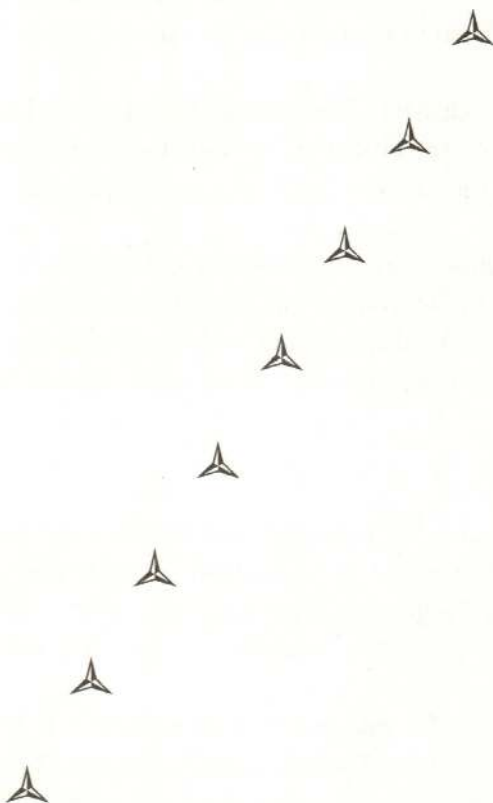

I take this opportunity to offer my sincere thanks to the Patron Lion Lady Nimali Fernando, The Vice Patron, Lion Lady Ranjini Raghavan, The Advisors, Lion Stella Ferdinand, Lion Dr. Rebecca Pinghe, and Lion Lady Leema Fernando, Chairperson of the Ladies committee Lion Melanie Wijeyesooriya, the secretary Lion Chrishanthie Jayatileke, the treasurer Lion Lady Dinesha Samaranayake, and the assistants Lion Dilhani Fernando. & Lion Lady Asha Fernando and all members of the committee who worked tirelessly to make all our endeavours a success story.

In conclusion, I offer my best wishes to District Governor, and thank him for giving me the opportunity to serve in the above mentioned capacity. My sincere thanks and Best Wishes to the Cabinet Officers and members of the Convention Steering Committee for a memorable convention.

Lion Audrey Sahid.  
District Chairperson  
Lion Ladies  
District 306B 1.

*With best compliments from :*

## COLOMBO CENTRAL

President : **R. Surikumar MJF JP**  
Secretary : **Lion Amutha Gobalan MJF JP**  
Treasurer : **Lion Jayeni Kasturiarachchi**

We have a past proud for the last 35 years. Lion Fred Puvimanasinghe and Lion Markhani, the Charter Members are continuing to maintain the harmony while other Lions roar at the wrong time for wrong purposes causing disruption grossly forgetting the cause of joining the LIONS MOVEMENT.

In order to serve the community the Lions Movement says to initiate solemnly, educate completely and involve immediately.

If the letters posted do not reach the members, it is the fault of the Postal Service prevailing in the country which carries the name Snail Mail for a long time. Hence the dedicated Lions shall accept the messages communicated through the electronic devices or through another member.

Cabinet Officers in a Lions Club should play as role models. It is with this theme any Institution or Organization has its Constitution.

If Lions remember and practise the pledge of allegiance and the themes (1) Passion to Serve – Committed to Excellence and (2) Empathy Key to Enduring Service shall “SERVE” the community well for its benevolence.

## LIONS CLUB OF MATTUMAGALA

President : **Lion Lal Rodrigo**  
Secretary : **Lion Lalith Jayawardena**  
Treasurer : **Lion Jayakumar Manuel MJF**

Our club after installing its club officers on the 24<sup>th</sup> of June 06 ventured into our first service project on the 2<sup>nd</sup> of July by organizing a medical camp at the Village of Dickovita, preceded by the Charter ceremony which is the main fund raiser of the club.

We had a very colorful evening coinciding with the District Governor's official visit. On this day we donated a wheel chair to the Polonnaruwa base hospital. The profit we got from the fund raiser was Rs 220,187.00. Apart from this we also received a donation of Rs 470,000.00 from Lions district 308 Bl Malaysia with the initiation of PDG Lion Sarath Gunasekara our own club member. Armed with these funds we launched our service projects for the fiscal year 2006-2007 as very briefly outlined below.

We had as our Land Mark project the adoption of Dickovita, a poor fishing village in the out skirts of wattala.. The Rose foundation sponsored by the Lions Club of Tune Norway our Twin Club is associated with us to carry on with this worthy project which we intend to continue in the coming years too. We started our work by donating school books to 150 school children followed by the donation of wheel chairs to immobile aged persons, conducting a medical camp for the second time and a diabetic awareness and screening programme. We planted trees in the Dicko vita school premises with the participation of the school children and Teachers to coincide with the tree planting week, we had a days outing for the village elders where they were entertained to a fun filled day's programme with games, baila dancing and singing, organized by our project chairman Lion Emil which concluded with the gifting of valuable material to all 90 elders who participated. During the floods in September when most houses in this village went under water we donated dry rations toiletry cloths etc, to all the effected households in the village. We sponsored a get together for the DickOvita kantha samithiya and distributed bed sheets towels and sarees.

Beside these to mention a few of the other noteworthy projects we did which include an United Nation day speech contest among school children of Wattala and Mattumagala at Karunaratne Maha Vidyalaya Mattumagala. Distribution of dry rations to poor people of the Mattumagala parish who were effected by the floods. Donation of light fittings vitamins and other essential items to Meduma Rehabilitation centre Elakande. Donating school books to poor children of Mabole at Vijaya Road. Donation of school books to poor children of the Mabole parish. Donation of a wheel chair and conducting an Eye screening camp and a diabetes screening project at Magul pokuna Nagoda, Kandana. Donation of a house to a tsunami victim, and the construction of a second such house is now in progress.

During the fiscal year we have recorded over 70% attendance at all board and regular meetings. We inducted two new members to our den and with the unstinting support of our Lion member and Zone chair person Roshni Camillus extende the Lions club of Mabole with 21 Members, the majority of whom are beautiful ladies - **Lion Lalith Jaycwardene Club Secretary.**

## LIONS CLUB OF NEGOMBO METRO

President : **Lion M.P. Agambaram MJF, JP**  
Secretary : **Lion Franklyn Soza**  
Treasurer : **Lion P. Khanamoorthy**

L/C of Negombo Metro was inaugurated in 1998 as L/C of Poruthota, Kochchikade with the required number of membership around Kochchikade. We have been doing a number of service projects in various fields.

We are indeed happy to note the continuous development made in administration and service activities over the year.

We have done numerous meaningful projects that were carried out during the past few years in promoting our 'we serve' impflative.

For the welfare of the school children, our club has been helping the poorest of poor students of less fortunate families in way of assistance to Grade 5 Scholarship students in their educational activities by donating text and exercise books, pens, uniforms, school bags, water bottles etc.,

For the secondary section students we have conducted workshops on leadership for Prefects of some selected underprivileged schools with the help of our talented and trained officers with the help of Pan Asia Banking Corporation. We did two major workshops by giving them hand out, files etc., and giving them valuable certificates at the end of the workshops.

Apart from these we are happy to state that we have donated computers, video decks, etc., to these schools which were presented to our club by the Pan Asia Banking Corporation of Negombo Branch.

In the month of Tree Planting, that is in October we did a major project of tree Planting at Prisons Correctional & Vocational Centre in Negombo. We were able to issue them several varieties of plants which were planted at the premises with all our members including our Zone Chairperson, Region Chairperson, Vice District Governor and several other prison authorities.

In October again we donated exercise books, water bottles, pens, pencils etc., to a fishing village pre school at Kochchikade to mark the Work Children's day. In addition we gave 10 bed sheets, tooth paste, tooth brush, water bottles, pens, pencils to 10 deformed children of the same pre school.

All these were able to do because of our Leader President Lion M.P. Agambaram MJF, JP, Treasurer and board members gave the fullest co-operation to do all the projects.

It is regrettable to state that 4 efficient lions have departed from us to serve in God's Kingdom. But it is a great and irreparable loss to our club. We are unfortunate to lose these lions, but with their blessings we could achieve our targets.

We will be having our 8th Charter Celebrations on the 6th of May 2007, Lion Lalith Fernando MJF as our Chief Guest. We hope to organize it at a large scale with the cooperation of all our members and wellwishers.

## LIONS CLUB OF NEGOMBO ORIENT

President	: <b>Lion Kumar Fernando</b>
Secretary	: <b>Lion Clement Rajeendra Peter</b>
Treasurer	: <b>Lion Christy Mihindukulasuriya</b>

The Lion family of Negombo Orient started the 13<sup>th</sup> Lionistic year with 67 members to its credit. The club had the privilege of having its own member to lead the District as District governor, being the third district governor of Negombo Orient family. To add colour seven of its members are serving in the cabinet and two in the District Ladies committee. This inspired all of us to work with grater empathy to serve the needy.

The willing co-operation extended by the Lions and their spouses, we were able to accomplish much meaningful projects in several service areas, mainly such as

1. Membership Growth Development & Retention
2. Sight Conservation, Restoration & Work with the Blind
3. Child Care, Protection and Foster Parents
4. Citizenship Services & Caring for Elders
5. Club Extension
6. Leo Programme
7. Education, Career Guidance and Vocational Training
8. L.C.I.F.
9. Lion Ladies Programme
10. Health

This also includes two of the governor's programme. We always responded to the District call in the service areas of district projects. Our signature project is the day care and learning centre for the Down syndrome children at our activity centre with the assistance from the brothers of the charity continued its service this year too, with the plan to accommodate many more children.

Another key project is the kidney dialysis unit under the care of PMCC Lion Prof W. A. Ferdinand, PDG Lion O'regan Pinghe, Lion Boniface Fernando and Lion Sam Hettiyarachchi carried out several dialysis at an average cost of Rs. 3,500/-.

As in the past we also published the "Andabera" our monthly bulletin to the full strength giving the club activities to be known to the other clubs, cabinet offices, and District Governors present and past and well wishers we also proved that we are no second in the sports field by a very good participation and winning many awards at the district sports day it added spice to the day.

Keeping the governors call for six club extension our contribution was the new club "Negombo City" extended on the 31<sup>st</sup> of March 2007, with 21 members. Also in response to the membership growth by the governor, the club which always had a plus growth added four new members to our family ending with 71 members as at end April 2007.

Sheer commitment of the members saw the year a very fruitful one.

Secretary : **Lion Francis Assisi**  
Treasurer : **Lion Noel Sahid**  
Date of Charter : **22<sup>nd</sup> June 1993**  
Sponsor club : **Lions Club of Hendala**

Our Club which has always been in the forefront of service activities, has done many projects for the less fortunate not only in Colombo but also in remote areas where the need for help has been requested.

The clubs major fundraiser this year was the clubs Charter celebrations and the District Governors Official visit, which was held on the 17<sup>th</sup> of March, 2007.

Our major project was the building of a Montessori school at Dambulla on a request made by the people of the area. Our club will furnish the school and also train the teaching staff in Colombo for which period they will also be paid and subsequently the monthly salaries of the teachers will also be paid as a on going project.

Sight First projects have been carried out continuously. A major project of this nature was done in Mahawatte for the Home for the elders and also the residents of the area.

Another sight First project was concluded at Dambulla. This project was carried out for 2 days very successfully.

Our club will continue with these projects next year has we strengthen the club membership with quality members.

### *Message from the Chairperson Souvenir Committee*

I am really Privileged to Contribute this message for the eighth time to the Souvenir published on the occasion of our Second Convention of District 306 B1 which is to be celebrated by every Lion who is service minded and be proud of the achievement while millions have benefited by the little that we have done within our limits.

A souvenir highlights the various achievements, and the attainments of the District during the year under review besides projecting the service activities embarked upon by the individual clubs. I thank every club president who made available the highlights of the "NO TOO LATE" to the presidents who failed to beat the printers' dead line.

I thank every member of the committee who gave the fullest co-operation to see this souvenir in blooms. I say a big thank you to the Co-chairpersons Lion Weerawansa Kumarasiri and Lion Rajasekeran for all the efforts made in accomplishing this mission possible. I extend my sincere thanks to the District Governor Lion Lalith Fernando, Chairman Steering Committee IPDG Lion Sarath Gunasekera, Vice District Governor Lion S. Raghavan, Cabinet Officers Mr. Balasoorya and his Office Assistants for all their assistance.

Lion Anantha Gobalan  
Chairperson Souvenir Committee
