With the socio political scenario in the country changing in a dramatic way, we here, with physical

scars and emotional setback of the long term war, we have to rise above the devastated past to face the future with strength and courage. The future of the younger generation will be inevitably linked to proficiency in English and Information Technology.

It is a welcome move that the Government had launched an initiative to promote English as a life skill. A paradigm shift has been envisaged to view English not as a classroom subject, but as a tool of communication.

This, we believe will equip the students with job-oriented spoken/communicative English, rather than a static grammar based knowledge of the language. English teachers have been called to work in a new perspective, with self confidence and determination to succeed. We hope this will eventually create a new society where better relationships will be fostered among different communities and better quality of life be ensured.

In Gratitude

I am indebted so much to many for their wholehearted support for the smooth functioning of the college. I thank the resident priests: Fr. Mahan Aloysius, the Vice-Rector, Fr. Reynold George and Fr. S. Arudchelvan, the Prefects of Studies and Fr. A. P. Thirumahan, the Bursar, for sharing in the management of the College along with their teaching assignment. I thank Mrs. Angela Alphonsus, the Prefect of Studies of the Primary Section, and the other teachers who work with her.

Mr. P. Jeyakumar and Mr. T. Nanthivarman deserve our special gratitude for the arduous task of preparing the list of prize winners. They spent long hours in the office after school to get these finalized with accuracy and precision.

Each one of our teachers and the Auxiliary staff makes a unique contribution to the success of the

Patrician endeavour and its achievements. To all of them and to our dear students, I am deeply grateful for their loyalty.

Our special thanks are due to Mr. V.T. Selvaratnam, the Additional Provincial Director of Education, Mrs. A. Vethanayagam, the Zonal Director of Education, Jaffna, The Accountant and all other officials of the Department of Education for their ready assistance at all times.

We owe a word of thanks to the Principals of our friendly schools, our sister school, Holy Family Convent, and to the Principals of the Private Schools with whom we obviously share a common good.

We thank the Parish Priest of the Cathedral for allowing us to use the church for our services and devotions.

May I once again thank our Chief Guest, Mr. S. K. Yoganathan, Our Guest of Honour Dr. S. Rajendra and Our Chief Pastor, His Lordship the Bishop, for their graceful presence.

Ladies and Gentlemen, I thank you for encouraging us by your kind presence here today.

Finally, we thank God, our Heavenly Father, who has bestowed innumerable blessings on us during this year, through Jesus Christ, his Son, through the intercession of Blessed Mary and our heavenly Patron, St. Patrick.

May God Bless you all!

Hail Glorious Saint Patrick

1

*Hail, Glorious Saint Patrick, dear Saint of our isle!
On us, thy poor children, bestow a sweet smile
And now thou art high in the mansions above,
On Lanka's green valleys look down in thy love.*

2

*Hail Glorious Saint Patrick! thy words were once strong
Against Satan's wiles and a heretic throng!
Not less is thy might where in heaven thou art,
Oh come to our aid, in our battle take part.*

The College Anthem

*Alma Mater! blest sanctum of learning
Where the mind is adorned with rich lore,
And each tutored faculty's yearning
Is sated and taught to seek more*

Chorus

*Alma Mater! fond nurse of my childhood,
So indulgent, yet prudently firm,
Thy affection and smile cheer my boyhood,
And foster each heavenly germ.*
