## Kalaiyarasi 2012

I am delighted to give this message to OBA UK for Kalaiyarasi 2012, which you are celebrating annually, and the Silver Jubilee Celebration. I am happy to note that 25 years have passed since forming Jaffna Hindu College OBA in UK. From the inception in 1987 you are doing a great service to the college in various ways. JHCOBA UK is not only keen on the development of Jaffna Hindu College, but the educational development of our homeland too.

I congratulate the Management Committees of JHCOBA UK from 1987 to now, who are doing a yeoman service in keeping the OBA active, in a foreign soil. Twenty five years of active service is not an easy task, it's very remarkable. You can be very proud of this achievement, and I, on behalf of our Jaffna Hindu College, join you in sharing this joyous moment. I wish you to have a grand Silver Jubilee celebration. I also wish JHCOBA UK to continue this great association for many years to come.

Jaffna Hindu College old boys have always been very close to the college. OBAs are very keen on the development of the college, and always support the college and the students. We have done many development works in the college because of all your supports. The OBAs being active is the main reason for this. I wish you will continue to help us in developing our college, and make our students competitive in educational and sports activities.

This year's Kalaiyarasi is more special to JHCOBA UK, since it is celebrated with the Silver Jubilee. Kalaiyarasi is an annual cultural programme. I am proud of JHCOBA UK for keeping our colourful culture lively in UK, and wish JHCOBA UK all success for Kalaiyarasi 2012.

## யாழ் இந்துவில் குடி கொண்ட உலகத் தமிழ் உறவினர்

**யாழ்** இந்து தனியே ஒரு கல்விக் கூடம் மட்டுமல்ல, அது தமிழையும் சைவத்தையும் வளர்த்து கொண்டிருக்கும் ஒரு தமிழர் கலைக்கூடம். இந்து சமய ஆசிரியராக இருந்த சிவசுப்பிரமணியம் மகாலிங்கம் 1989ல் அவர் எமக்கு உயர்தர இந்து நாகரீகம் படிக்கும்போது ஒரு சைவ விழா ஒன்றை இந்துவில் கட்டப்பட்ட கோயிலின் திறப்பு விழாவுடன் செளனிவதற்கு உந்துகோலாக இருந்தார். இரண்டு வாரங்களுக்கு மேல் நடந்த அந்த விழாவில் தங்கம்மா அப்பாக்குட்டி உட்பட்ட பல பெரியோர்களின் சொற்பொழிவுகளை கேட்கும் வாளணிப்பு எமக்கு கிடைத்தது.

அந்த வகையில் யாழ் இந்துவில் ஆறுமுக நாவலருக்கு இன்று சிலை அமைத்து அவர் அங்கு குடியிருப்பது யாழ் இந்து தமிழையும் சைவத்தையும் தொடர்ந்து வளர்ப்பேன் என மேலும் உறுதி பூண்டு நிற்கின்றதை பார்க்கிறோம். ஈழத்தில் மாத்திரமல்ல தமிழையும் சைவத்தையும் வளர்க்க தமிழ் நாடும் சென்ற ஒரு சாதனையாளன் ஆறுமுகநாவலர். அவர் இல்லையேனில் யாழ்ப்பாணம் கிறிஸ்தவ மதமாக மாறியிருக்கும் என்பது உண்மை.

எப்படி ஒரு தனி மனிதனாக நின்று சைவத்தை மேலோங்கச் செய்தார். முதலாவது அவர் எடுத்த முயற்சி மதம் மாறியவர்களை பிழையானவர்கள் எனவும் தமிழின் துரோகிகள் எனக் கூறியல். அவர் சிந்தித்து ஏன் மக்கள் மதம் மாறுகிறார்கள் சைவத்தின் பெருமை தெரியாதவர்கள் எனக்கருதி மக்களுக்கு சொற்பொழிவுகளின் மூலமாகவும், எழுத்துக்கள் மூலமாகவும் சைவத்தமிழின் மகிமையை எடுத்துக்கூறி வெற்றி கண்டார்.

அதுமட்டுமல்ல தமிழ் இளைஞர்கள் கல்வி கற்காமல் இருப்பதை கண்ட அவர் தன் வீட்டுத் திண்ணையிலேயே அவர்களுக்கு பாடம் சொல்லிக் கொடுத்தார். தமிழில் மட்டுமன்று ஆங்கிலம் படித்து பைபிளை மொழிபெயர்த்து கொண்டிருக்கும் போது கிறிஸ்துவ மிஷினரீஸ் எப்படி கிறிஸ்தவ மதத்தை பரப்புகிறார்கள் என உள்வாங்கி அவர்களின் துண்டு பிரசுரங்களுக்கு பதிலாக சைவப் துண்டுப் பிரசுரங்களை அச்சிட்டு பதில் கொடுத்தார். சிறார்களுக்கு ஏற்ற இலகுவான நூல்கள் இல்லை என்பதை அறிந்த அவர் அச்ச இயந்திரம் தொடங்கி பல நூல்களை தான் எழுதியும், மீள் பிரசுரம் செய்தும் பல நடவடிக்கைகள் எடுத்தார். அவருடைய ஓராம் பாலபாடத்தில் சில வரிகள்

“எவர்களோடும் இனிய வார்த்தை பேசு”  
 “எவ்வுயிருக்கும் தீங்கு நினையாதே”  
 “விண் வார்த்தை பேசாதே”  
 “எல்லோர் மேலும் அன்பு உஷீமீளவனாளினி இரு”  
 “பிறருடைய பொருளை இஞ்சியாதே”  
 “இரப்பவர்க்கு ஏதேனும் கொடு”  
 “பெரியவர்களை கண்டால் வணங்கு”  
 “கெட்ட வார்த்தை ஒரு பொழுதும் பேசாதே”  
 “கொலை செளனிதவன் தண்டிக்கப்படுவான்”  
 “திருடன் விலங்கு மாட்டப்படுவான்”

ஈழத்தில் பல சைவ பிரகாச வித்தியாசாலைகளை நிறுவியது மட்டுமல்லாமல் தமிழ் நாட்டிலும் சீதம்பரத்தில் ஒரு பாடசாலை ஆரம்பித்தார். யாழில் நிறுவிய அச்ச இயந்திரம் போதாமை அறிந்து சென்னையில் பெரிய அச்ச இயந்திரம் நிறுவி பல அச்சுக்கள் பதித்தவர். இப்படியாக அவர் எடுத்த நடவடிக்கைகள் பல, பல இங்கு நாம் சுருக்கமாக சொன்னால் அவர் எவரையும் பிழை கூறியதோ அல்லது எவரையும் பிழையானவர்கள் எனக் கூறாமல் அங்கு என்ன இல்லை அந்தக்கட்டத்தில் எது தேவை என நிவர்த்தி செய்ய முயற்சி எடுத்தார். அதை இன்று யாழ் இந்து மட்டுமல்ல நாமும் செய்வோமாக.

### Kalaiyarasi 2012

#### Co -ordinator

Mr. S Umasuthan

Dear Friends,

On behalf of OBA UK and of the management committee, I am pleased to invite you all here this afternoon to participate in this symposium & the Kalaiyarasi Twenty12.

This programme is part of the landmark celebration of the 25th year achievements of our association. It is my hope that this symposium is not only to celebrate what we have provided to our school in the past 25 years but also to identify how and what we can do in the future years to come.

It is also my earnest hope that this will be useful to all our friends who have come from abroad. I thank them all to have taken the trouble to be here.

Kalaiyarasi Twenty12 is organised in a large scale to mark our association's Silver Jubilee. Current committee has worked very hard to stage today's mega programme.

There is no doubt you will enjoy this evening. I would like to take this opportunity to thank our current committee members who have worked extremely hard to hoist today's landmark celebration?

Kalaiyarasi Twenty12 is yet again another occasion for the Old Boys to come together and enjoy the entertainment, talk about school days & treasured memories.

Without me taking any more time I can now leave you to enjoy the live music after a short break

Thank You,

Yours faithfully,

S.Senthilnathan

# Silver Jubilee

## a proud achievement

for JHC - OBA London

The above magnetic phrase from our College anthem always rhymes loud and clear in the hearts and minds of every student who embarked from the portals of our hallowed seat of learning - not only learning literacy and numeracy but also discipline and character to face the global challenges of the future and to evolve themselves into perfect humans.

The prophetic sentiments expressed in the above couplets are as true now, as they were visualised almost a century ago. Our community has undergone untold hardship and misery the result of which saw the dispersal of our people to almost all the nooks and corners of the world. Yet, none of them has forgotten their roots and the associated culture.

The alumni of Jaffna Hindu is no exception to this phenomena and they have successfully organised old boys associations from the USA and Canada on one side to Australia on the other side.

It is to be recalled with pride and pleasure that the pioneers were the old boys in London who had the vision to organise the first OBA outside our shores in the year 1987 and we should recall with gratitude the efforts, the services and the storms they faced - specially the senior members and people like the late T. S. Perinbanayagam.

It is in the fitness of things to have the celebrations on a grand scale as it gives a sense of achievement and success that they have fulfilled the dreams of the founders in a meaningful way not only to the school community but also to the wider and the vulnerable sections of our community.

A lot of credit is due to the London OBA in funding a number projects for the student community of our college - provision of furniture, hostel expansion, playground extension, acquisition of the quarters for the Principal and the donation of a bus - just to mention a few. It is appropriate to mention that our college that started with 6 1/2 lacks of land in 1890 is now expanded to 105 lacks of land area.

In addition to the provision of a number of scholarships, plans are afoot to meet the requirements of the needy and the vulnerable sections in the affected areas - the current one being the "Mahadeva Padipaham" in memory of our respected Mathematics and Chemistry teacher, the late A.Mahadeva. Such noble ventures should

be welcomed and encouraged as they would inspire others also to follow suit.

Apart from worthy projects and donations back home, the annual “ Kaiaiarasi “ festival held in London is an occasion to honour past Principals, teachers and old boys representing diverse fields and activities, remains a strong bond and a friendly gathering to bind all the old boys and their families and has become an occasion fondly awaited by our fraternity from other countries too.

Sport meets and cricket matches have become regular events in the OBA calendar and such social events are links to bring together the second generation with the previous generations.

The Silver Jubilee is a memorable occasion - a worthy one to remember for having carried on so successfully outside the shores of our native land.

On this happy occasion it is the fervent hope that the London OBA is old and experienced enough to take the lead as a role model to muster all our global OBAs under one umbrella - to speak with one voice - a strong organisation to be of continuous help to our College community and also to the larger needy community of ours.

# Muttucumaran

## KINGPIN OF SCOUTING

Sithamparanatha Chettiar Muttucumaran, the fourth grandchild of the memorable figure Pasupathi Chettiar whose inspiration and perspiration together with that of Advocate Nagalingam resulted in the establishment of the prestigious seat of learning and Hindu culture, the Jaffna Hindu College the other four being the now departed Pasupathy Chettiar ( Registrar ), Sivakamasundary ( wife of the late V. S. Nadarajah, Proctor ), Sivagurunathan ( Principal ) and Somasundaram ( Teacher - JHC ) spent almost all his educational career at Jaffna Hindu, first as a student and later continued as a teacher.

Due to his intimacy and love for his Alma Mater he was benevolent enough to donate his entire first two month's salary as a teacher to buy books for the school library.

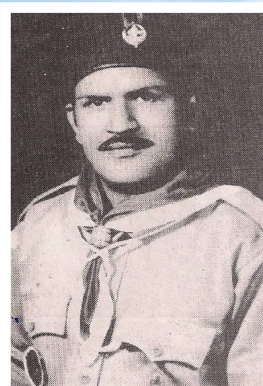

He never confined himself to classroom teaching alone but spread his wings to cover religious activities, staging dramas and most importantly scouting that was his live wire. He himself was an active scout when scouting was revived after the war and was an understudy to Scouter Jeyaveerasingham in the fifties.

“ SCM or MUTTAR “ as he was fondly called by his friends was the master mind behind the successful staging of the popular scout drama “ IDEALIST “ in 1950. It was a big draw and helped to swell scout funds.

I could vividly recall two popular scout characters of the drama Naguleswaran ( Professor S.Naguleswaran, now in New Zealand ) and the late V. E. Pakkianathan ( Librarian )

After another period of lull , scouting got activated in 1959 after which it reached greater heights at JHC and continues to be so even now. It was during this period that I got introduced to scouting by our veteran teacher KVM and had the privilege of enjoying scouting with the guidance of the “ kingpin of scouting “ Muttucumaran. Kingpin because of his innovative ideas and on the spot decisions that helped scouting to flourish at Jaffna Hindu and in Jaffna as a whole.

His imaginations on gadgets and campfire items were given practical shape by our young and daring scouts which helped us to win not only the Rotary shield in

successive years but also to be on top in the Island winning the All Island Merit Flag and the coveted Sir Andrew Caldecott challenge bowl for chip-a-job.

It was during that time we sent our first ever contingent to the World Jamboree ( three out of seven from Ceylon ) to Idaho in the USA followed by to other regional jamborees later.

The highlight of our time was when the joint JHC - St.John's scouts participated in the Jamboree to mark the Golden Jubilee of Scouting in Ceylon held in early 1962 in the racecourse grounds in Colombo incidentally the Jamboree to mark the centenary of scouting in Ceylon was held in Dambulla in April 2012. I recall with pleasure how scouter Muttucumaran could instantly change a negative situation into a positive and pleasant one.

It was the grand campfire rehearsal night when all our scouts with scouter J.N.Ponniah went for the event while Muttar and I stayed in camp to prepare dinner for all.

We were steaming PITTU and all of a sudden the whole stuff slipped and fell into the boiling vessel. Both of us were nonplussed as to what to do for dinner.

In a flash decision Muttar put in more flour and sugar and stirred it to make it as a fine porridge. Muttar told the scouts that for all their efforts in the rehearsal there was a special menu for dinner. All of them happily enjoyed the sweet instant porridge. That was Muttar who could instantly transform a negative into a positive one.

It was to his credit that he successfully organised the Bhartha Natya Arangetram of his eldest child Annapoorani ( Shantha ) in the Jaffna Veerasingam hall in the early seventies and also founded the Meenadchi Nadna Palli, now located to Eastham in London which proudly preserves and imbibes this traditional dance form of great value to scores of children for the last quarter of a century.

The proud father Muttar should be the happiest soul to hear that the Nadana Palli the he planted has now blossomed so strongly and beautifully to the extent of it being graced and admired personally by no less a person than Her Majesty Queen Elizabeth the second and also to gain global popularity and recognition at the grand opening of the London Olympics of 2012.

As the president of Jaffna Hindu College Association of Canada, it gives me great pleasure in sending this message of felicitation to the souvenir to be published on the occasion of the celebration of SILVER JUBILEE together with KALAIARASI 2012 by the Jaffna Hindu College Old Boys Association of United Kingdom on Saturday, June 16, 2012.

The Silver Jubilee is indeed a landmark in the history of any association. It is a proud moment to reflect the twenty five years of history and the achievements over that years in uniting the common history and strengthening the friendship among different generation of old boys in the adopted land, in addition to the enormous contribution made to the development of Alma Mater.

It is very pleasant to note that it is being celebrated on a grand scale together with “Kalaiaarasi-2012”, in which top artists and Tamil language scholars from Tamil Nadu are participating.

On behalf of our association, I extend my congratulation and wish all the best in the celebration of Silver Jubilee together with Kalaiaarasi 2012, and a memorable evening of entertainment filled with delightful art and cultural events to the merry and joy of all.

Thank you.

# Message From Dr S Jothilingam

It was the summer of 1987 when a handful of old boys met in London to form the first Jaffna Hindu Old boys Association outside Sri Lanka. It is 25 years now and we are celebrating our Silver Jubilee celebration without our first President late Mr T.S.Perinpanathan and our first Treasurer late Mr S.Uthayalingam. Late President Peri as he is popularly known sadly passed away in December 2011.

Uthayalingam popularly known as Ranjan predeceased him 20 years before (April 1991) under tragic circumstances. From the inception of forming the OBA (UK), Ranjan worked tirelessly to decimate information about the OBA to fellow past students.

He unfortunately didn't survive to enjoy the fruits of the success achieved lately by our association.

Peri's vision was to serve the OBA to achieve various goals for the benefit of our school back in Jaffna. With this in mind he took a leading roll as President to hold the first public function on the 9th June 1990, the year our school celebrated the Centenary.

His presidential message at that occasion was to invite all the old boys and welf wishers to make a collective worthwhile decision to achieve our goals to fulfil the needs of our school. He worked tirelessly to bring about unity among the old boys some of whom had diversified opinion.

I'm sure, he will be the happiest man in heaven if we all unite to carry on the Blue and white flag of our almamater.

One of our principal mentioned in his speeches "our school will be a place where the student will learn to love and love to learn".

I would like to conclude that we the older generation of Jaffna Hindu boys should "unite to love and love to unite".

# Journey from Childhood to Pioneer & Entrepreneur

**M**y journey, as with many others, was not an easy ride. However, I would like to share my story; it may give you an insight into what is possible if you work hard and plan effectively to achieve your goals. There are elements of luck in all successful enterprises, but as a famous South African golfer, Gary Player, once said, "The harder you work, the luckier you get".

I spent my early days in Chavakachcheri Hindu College, where I learned the fundamental skills for becoming a mature person. However, being teenagers, you know how challenging it is to think for yourself and to focus on your studies when you simply don't realise the need at the time. I wasn't an exceptional student—I was playing lots of cricket and other games in my early days, with no interest in being a successful student—although I was good at Mathematics and Science. Even so, doing well in two subjects did not put me out as the front-runner in my class.

Time passed, and I realised when I was in Grade 8 that 'it is the time to change'. I became a hard-working, determined and conscientious person – which resulted in nine distinctions and one credit in GCE 'O' Level. While studying at school, I was constantly encouraged to join in the sporting activities and competitions that regularly took place. I think that by participating in many activities I became familiar with a competitive environment, which enhanced my ability to communicate and work with others. Through sports, I definitely improved my ability to work productively under pressure.

Milestone 1 : Achieving good results at GCE 'O' Level.

Lesson learned: Unless you have a good foundation at GCE 'O' Level, it would be very challenging (or virtually impossible) to progress further. Hence, in order to lay the foundation, you've got to work hard and commit to your studies.

I was then admitted to Jaffna Hindu College to work for my GCE 'A' Levels. I chose to pursue the Mathematics stream – because Science and Mathematics were my strongest subjects and, moreover, I loved doing those subjects. I have to admit that understanding the basic principles behind these modules was one of the key factors to my success. I was very fortunate to be taught Maths, Physics and Chemistry by

**Dr. Sithamparanthan Sabesan**

“

”

talented teachers and, as a result, I achieved straight As in all three subjects.

Milestone 2: Achieving good results at GCE 'A' Level and understanding the subjects well.

Lesson learned: Picking the right stream is a key – two factors can help you choose the right one: (a) knowing which are your strongest subjects and (b) whether you enjoy doing those subjects. Without a solid foundation at 'A' Level, it would not be possible to achieve real success in a related degree programme at a University, as above all you've got to be extremely keen and committed to the programme.

I then went to read for a BSc (Hons) in Engineering at Moratuwa University in Sri Lanka. However, after a few months I was offered a scholarship to do a BEng (Hons) in Electronic Engineering at the University of Sheffield in the UK. So I decided to move to the UK to pursue that degree in 2004, where I scored the highest marks in my year and was awarded the Sir William Siemens Medal for being one of the country's top 18 science and technology students. It is worth noting that I used to ask pertinent questions in lectures and continued to ask questions until I fully understood the subject-matter.

**“**  
*I scored the highest marks in my year and was awarded the Sir William Siemens Medal for being one of the country's top 18 science and technology students*  
**”**

Milestone 3: Achieving good results in a bachelor's degree and laying a solid foundation for further studies.

Lesson learned: Reading for a degree that suits you best is absolutely crucial to your future success. Three factors can help you choose the right subject: (a) what you are good at, i.e. your strengths, (b) whether you love doing it, and (c) what your real vision/ambition is. Above all, you've got to ask pertinent questions.

Finally, I moved to Corpus Christi College, Cambridge University in 2007, to study for a Masters degree (MPhil) in Electronic Engineering before beginning my PhD in 2008 on the subject of 'Passive RFID real time sensing system for intelligent infrastructure'. I have had my research work published in various journals and currently have two patents pending for my work into RFID (Wireless sensors such as Radio Frequency IDentification tags can be linked up as components of intelligent networks. The sensors can be interrogated via the internet, and their location can be determined from a distance even though they are 'passive', which is to say that they harvest their energy from the radio waves interrogating them and require no internal energy source or maintenance). As a keen cricketer, I have captained the Corpus Christi College Middle Common Room (i.e. graduate students') cricket team and am also an elected president of University of Cambridge Graduate Cricket League and Chairman of Institution of Engineering and Technology (IET) Cambridge Younger Professionals.

It was at Cambridge that I became aware of the possibility of commercialising my ideas and of helping society by continuing with my research.

I am currently a Research Fellow at Girton College in Cambridge University and I continue my research on 'Enabling Low-Cost Error-Free Wide-Area Passive RFID Real-Time Tracking'. The system will enable retailers, airlines and other businesses to monitor the location of items such as shopping trolleys, luggage, and documents) both cheaply and effectively in real time. The system could save airlines millions of pounds. Retail groups have also been engaged in the project—not just for tagging items, but also for the development of self-service checkouts. This work is supported by the Girton College Cambridge University Research Fellowship, the Boeing Company and the UK Engineering and Physical Science Research Council.

I have just been appointed to a Fellowship of the ERA (Electrical Research Association) Foundation and have recently been selected as the winner of The UK ICT (Information and Communications Technology) Pioneers Connected World Award (for the groundbreaking approach to modern problems), as well as the The Royal Academy of Engineering ERA Foundation Entrepreneurs Award 2011. I am a co-founder and director of PervasID Ltd, a Cambridge University spin-out to exploit the invention commercially.

When I drafted this article, with the aim of helping you see how it was possible to set and achieve your goals, I found I had originally put the word 'fortunately' in every paragraph. I then looked back to the start of the article, to Gary Player's words, and I deleted almost every occurrence where I had written 'fortunately' as I strongly agree with Mr Player: The harder you work, the luckier you get. One element of fortune (the only mention of the word I left in the article) concerned my teachers at Jaffna Hindu College: it really was my good fortune that they were so excellent and motivating!

I would like to end this article with another quotation, this time from Steve Jobs, American businessman, designer and inventor of Apple Inc, in the hope that it may help you focus your ideas and achieve success in all aspects of your lives:

"Sometimes life hits you in the head with a brick. Don't lose faith. I'm convinced that the only thing that kept me going was that I loved what I did. You've got to find what you love. And that is as true for your work as it is for your lovers. Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do. If you haven't found it yet, keep looking. Don't settle. As with all matters of the heart, you'll know when you find it. And, like any great relationship, it just gets better and better as the years roll on. So keep looking until you find it. Don't settle."

“

*I strongly agree with Mr Player: The harder you work, the luckier you get.*

# Contributions by JHC OBA, UK

**Good afternoon and welcome to you all.**

I am privileged to have been requested by the president and the present committee to say a few words About the contributions by OBA UK since inception. We are all grateful to our college for providing a high standard of education, sports and most importantly a life full of moral values from our Dedicated teachers. Hence, some grateful old students of JHC, Late Mr.T.S.Perinpanathan, Mr.K Sevel, late Mr.S Uthayalingam, Mr.R Suresh , Mr T Ganeswaran and some others were instrumental in organising the OBA UK in 1987. That was the time, the college was a refugee camp with 40000 People for about 20 days with the occupation of Jaffna by the Indian army. The OBA was not very active Till it was revived in 1990 by the same organisers. The OBA UK successfully celebrated the centenary of the Lola Jones hall in south London 1991.

That was a difficult task as only few old boys were in Up and most Were students or struggling to get jobs?, or were refugees .We are thankful to them for organising the OBA which grew gradually to a larger organisation with the influx of more old students entering UK With the escalation of the war in north. They all understood the need to help our college at the time of Need. If one looks into the history of OBA JHC, the OBA Jaffna collected funds even in 1940,46,51 60 by organising carnivals exhibitions Even, prior to this in 1922,Mr Samaritan Singe went to Malaysia to collect Funds to expand the buildings at JHC.

The OBA UK too, under the guidance of various presidents and patrons and the hardworking committee members , collected funds by organising annual cultural evenings, Kalaiyarasi and Christmas dinner and dance .These events were always well attended and provided funds to help our college.

In addition, some of our grateful old boys have donated money to swell our funds. In the initial stages, when the war was going on in North ,even the basic things were not available or scarce, the OBA realised the need for helping the poor students who were struggling for the basic needs of books, pen and pencil ,school furniture etc .Hence, the programme of granting scholarships to the needy students were initiated with great success in 1992 by my committee and expanded by Dr.Jothilingam and still continued to benefit the students In October 1995, the students were displaced and the college was not functioning. Our help was needed During these difficult periods and OBA UK did all what it could? In 2000,the then president Mr.Ganeswaran and the committee organised an International convention of OBAs around the world to coincide with the millennium .

Mr.Srikumaran, the principal was invited and honoured during this period. He gave us an insight into the hard life at the school with the poor facilities and lack of basic needs for the students and teachers. It was a successful event and provided a platform to discuss the needs of the school and planning for the future. This, being an international conference involving other OBAs , it was decided to allocate different

task to different OBAS. We were able to send a sum of £ 17,000 towards the need of the school. We also contributed funds at various periods to buy computers ,books and furniture to enable The students to continue to have an excellent education. During the most troublesome period in Jaffna due to the ongoing war ,the school was short of funds .to employ staff and we rendered help to fill those Vacancies.

I am proud to say that this great service continued with enthusiasm under the presidency of Mr.Selvarajasingam, Mr.Shanmugalingam, Mr.Thiruketheeswaran, Mr.Seveal and Mr Senthilnathan, The annual Kalaiyarasi functions were well organised attracting the old boys, their families and friends in large numbers .This annual event gives an opportunity to meet other OBA members, have a day of Enjoyment and, most of all, these functions bring much needed funds to help our Alma mater. In 2005, the scholarship fund amount according to centenary souvenir was Rs 2 million In addition, the OBA UK has contributed a substantial amount of money to buy the land to expand the play ground ,and in building of new pavilion and hostel.

In 2010 the OBA has paid £25,000 for the purchase of the land and the house next to Cumaraswamy Hall. Currently this house has been refurbished by the college and being used as the Principal's bungalow. The completion of this land and house purchase is continued in 2011 until this week, we heard the happy news This has completed successfully with the current committee specially our secretary Mr. Nakeeran's effort.

It is pleasing to see a nice garden with a beautiful statue of goddess of learning Saraswati in front of the Cumaraswamy hall. Thanks to one of our past presidents, Mr.Seveal. During the last few years, the OBA took pride in inviting some of our former teachers , Mr.Sivaramalingam Pillai, Mr.Ponnambalam, Mr. Karunakaran, Mr.M C Francis, Mr.Maheswaran, Captain Somasundaram, Captain Santhiyapillai, Mr.Sivasubramaniam and honouring them.

The teachers were indeed happy and proud of their grateful students. We were also able to honour at different occasions our distinguished old boys Mr.Shanmugam, MBE, Mr. Balasunderampilai, former vice Chancellor, university of Jaffna, Kamba Bharathi Jeyaraj, Mr.Ganeshamoorthy of Canada, Dr.Shanmugalingam, Retd Consultant obstetrician, Journalist and MP Sarvanbavan from Srilanka, Mr.Jogamoorthy, OBE, Dr Anaimugan Consultant Gynaecologist from New Zealand, Dr M Niranjana Professor in Electronics at the University of Southampton, Mr Asokan Vice President Colombo OBA, Mr Shan Karansingh , College & Sri Lankan Pole Vault Record holder and Mr Tharmakulasingham from Jaffna.

I am sure this great service to our almamater and to the new generation will continue with the new presidents and committees for many more years to come.

# Message from A Thiruketheeswaran

Jaffna Hindu College – JHC always presents itself as a leading example in education, sports, and Cultural and extra- curricular activities in Sri Lanka. With the same tradition past students of JHC around the world have been in forefront to establish old boys associations to unite all the friends and families in their adopted homes and to use it as a forum to have annual cultural and sporting activities and also find ways to collect fund to support our alma mater. OBAs abroad and their office bearers, act as first point of contact for anyone visiting that country to trace the whereabouts of their college friends.

We the JHC OBA UK, are proud to be the first OBA established outside Sri Lanka 25 years ago in 1987, and celebrating our Silver Jubilee this year. We recognise and appreciate that other JHC OBAs around the world have established well and have close cooperation with us and between each other. At this juncture it is worthwhile remembering that OBA Jaffna established 107 years ago in 1905 and OBA Colombo established 102 year ago in 1910 celebrated their 100th anniversary celebrations gathering of past students in Sri Lanka. It is very heart warming to see JHC OBA in the UK, Canada, Norway, Germany and Switzerland organising cultural shows annually in the name “Kalai Arasi” which was originated from OBA Canada. Many of our members have participated at Kalai Arasi Canada, Kalai Arasi Germany, Kalai Arasi Norway and Kalai Arasi Switzerland to support their functions. Many of our members from OBA (UK) participated and assisted in the planning and organising of cultural and sporting functions abroad. Sydney, Australia organises ‘Geethavani’ every year while OBA in Melbourne, Australia and New Jersey, USA organise their annual functions together with cricket and sporting activities.

Our college past and current Principals, teachers are being invited as guests for these functions to enable the past students to recognise the dedicated services they are rendering to the college. These OBA functions are also used as a stage to recognise any outstanding achievements and accomplishments of JHC past students in academic, sporting, cultural, Religious and business careers. We are grateful to the members who have the dedication in designing and maintaining the JHC OBA website and for linking it with all the other JHC OBA websites enabling us to access all the current news about the college and the OBA functions around the world in addition to the informations regarding the needs of our brothers at our college in Jaffna and throughout the world. Worldwide network of OBAs was useful to have coordinated effort to fund sporting and any development project of our college.

Our Silver Jubilee gathering was announced in the college website allowing enough time to anyone interested to attend to plan their holiday. Invitations are being sent to all the OBAs throughout the world to attend to our Silver Jubilee gathering. JHC OBAs around the world have funded our college by supplying sporting equipment, audio visual equipment, furniture & Fitting, educational and administrative equipment, building projects and purchase of land to improve the college and the college grounds. We are very grateful for Jaffna OBA and Colombo OBA for coordinating college activities with us in organising special events of the college successfully, together with the advice and assistance of the college principal.

## Wider Objectives and Forward Ways

### A Speech by Mr N.Selvarajasingam.(1956-65)

Dear Friends,

As an institution, Jaffna Hindu College is the only foremost school that was set up by our forefathers during colonial times to safeguard the Hindu religion and the demise of our Tamil language. The College has grown ever since and served the Tamil Community in a wider way over the years. It has produced scores of eminent professionals.

The school has provided opportunities for children from families all over Sri Lanka. I am one of the lucky ones who had that same opportunity which has made me what I am today.

It is our duty that we should not leave our school to be any less than other similar institutions in Sri Lanka. To this end, I know we the old boys from all over the world can help a greater deal. I also know we have been doing just that for years now.

It is in my opinion, our input can only be on the infrastructure needed at the school. But this has to be done in a coordinated way.

Sadly I do not think this is happening. Year after year the management committee comes and goes. What happens in reality is that every committee just try and help the school in whatever requests that comes from the Principals of the day. I do not think we should divert our hard earned resources in this way.

Our aim should be to drive to lift the school in terms of the infrastructure to the same standard of the schools one could find in other parts of the developed world. I know of a master plan that was drawn in 2003 by one of our old boys, an architect in Australia, D+C Consortium.

I cannot recall his name now. If you look at the plan, a great deal of good planning has gone in there. But I do not think this master plan was ever being followed by the administration at the school. I also saw this plan was published by Jaffna OBA in their centenary souvenir. Unfortunately it has become apparent that buildings are mushrooming year after year without any such plans.

Mr N.Selvarajasingam

Old Boy 1956 - 1965

“

*I am one of the lucky ones who had that same opportunity which has made me what I am today.*

”

I am only going by the observation made myself during my last visit to the school in January 2011.

I urge the OBAs all over the world, to request the school administration to formulate a development plan for future growth and publish it wider amongst OBAs.

Another unhappy event that happens in our OBA management committees is that there is a non coherent attitude of not adhering or continuing the commitments made by previous committees before they took over.

This is not professional and we should not promote this culture amongst us.

It is appropriate to mention a classic example here. In 2002/3, the house and the land along the College Road, adjacent to former Boarding Master K.K.S's residence came for sale. The OBA UK at that time, initiated the purchase of that property for the benefit of the school. OBA UK then had the financial resources also for it.

Unfortunately the management committee that succeeded after that year, did not carry out that commitment for reasons of their own. I understand that the project has now partially completed almost 8 years after with many struggles.

Every year the committee members work voluntarily very hard to raise the finances for the school. They work at the expense of their family life and even finances out of their pockets.

In the majority of cases, the artists who participate in programmes are the major beneficiaries.

Any profit made out of these programmes, are the resources we have which could be diverted to the benefit of the school.

Therefore this should be wisely spent over the projects at the school.

I am not sure whether there will be willing amongst all concerned to consider any aspects outlined here and or its implementation. However I will be happy if this speech can at least provoke the thinking along amongst the OBAS and force the school administration to come up with concrete plans for the future growth of the school.  
Thank you

# SPORTS in the UK

## “Heads Up” on what future looks like!

Dear Friends,

I am truly privileged to be here today as one of the guest speakers of JHC OBA's “Silver Jubilee Symposium 2012” to talk about the sports & communities in the UK and its potential future. It's absolutely a remarkable astuteness of bringing the JHC old boys together to articulate some of the HOT TOPICS in a convention style. This is very refreshing and reassuring so I am thankful to the OBA committee, secretary and president for their excellent efforts.

### Route Map

As people we are made up of a number of different identities, which are essentially the roles that we hold in the community.

These identities we hold have huge expectations and meanings attached to it, which come from both ourselves and from others. Since we signify ownership through language, be aware of the wording that we generally use; ‘I am a Cricketer’ for example is different to ‘I enjoy Cricket’ or ‘I am a footballer’ is different to ‘I enjoy playing football’. The latter is merely describing an activity that you do, whilst the former, ‘I am’, implies identity.

It is not only the expectations that are important but how we interpret these expectations and the meaning we give to them.

In western cultures this process is highly valued. The evaluation about “us” are imperative, this practice “more or less” has been forgotten in our society at present. Competency and Capability must be assessed when handing over roles & responsibilities.

I want to take this opportunity to put forward a constructive analysis & criticism of our present involvement and provide some thoughtful ideas & process of how we can operate differently to become a joined up society when it comes to development through sporting activities.

Mr N. Gobiraj

Old Boy

“  
As people we are

## The Present

The measurement of sport's contribution within minority communities reflects the aspects of social capacity, social cohesion and social capital. There are number of Tamil Sports related organisations exists in the UK operating for many years including; a handful number of OBA's claiming to be contributing to the society.

Is that factual?

The entries I am making in this section seek to address such issues at various levels of our community's impact due to differing attitudes to social and cultural integration.

We all want to engage and contribute which is an astonishing attribute of our culture but many of us seem to divert from the original goal setting then bring in our own self invented agendas to disrupt the common goals.

Every culture has a set of customs, rules, and laws which are for the most part obeyed. But in every culture and society there are always people who refuse to follow the rules.

The Structural Strain Theory explains that deviance as a result of social strains put on people. The root of Structural Strain theory lies in the anomaly, a condition of confusion when social norms are weak or conflicting.

Apart from the above individual behaviours, we can also confidently say that a sport is often associated to politics. Analytically, we can divide sports politics into two categories: sports in politics and politics in sports.

Major organisations and associations are always built in with a sports committee or a sports subcommittee who can make imperceptible power over elected bodies or administrators.

## The Future

Generally the community's iconic figures don't have a long term vision. They seem to lose track and change their goal posts as often as they like. This naturally creates upsets, unrest and grievance amongst the followers.

My point here is that all of us need to be aware of what are we trying to achieve? Is your respective organisation playing the role of volunteering in developing pro-social behaviours and organisational cohesion; or are they looking for peer relationships particularly Social Inclusion Partnership (SIP) areas. Don't confuse yourself. Be clear on what the mission is, no one would blame you for this.

“  
The root of Structural Strain theory lies in the anomaly, a condition of confusion when social norms are weak or conflicting.  
”

We all must have clear-cut ideas, set aims, objectives and targets While sport can have a positive role to play in addressing social cohesion, this is unlikely to happen if it is organised or promoted along conventional lines.

I would like to touch upon two broad, interdependent, aims of our community at present:

1. The development of sport in communities.
2. The development of communities through sport.

The Development of Sport in Communities - The main aim of such programmes is sporting inclusion. The desired sporting outcomes of such projects can include: Removal of barriers to sports participation in the community or target groups and provide provision of opportunities to progress, develop sporting skills and expertise.

The Development of Communities Through Sport - The main aim of such programmes is social inclusion.

Conflict and confrontation often occur together in most Social inclusions. This is neither is pleasant nor acceptable, but organisations and leaders must be able to manage with their strategic thinking (The Why-What-How Approach).

The “collaboration model” can also help if parties accept there is a conflict.

It requires each party to be open, honest and be able to prioritise & satisfy the other party's needs and their own. It's about issues, not personalities.

Finally, engaging in the resolution process arising out of conflict and confrontation can be a very positive experience.

Some of the most creative ideas and solutions to situations arise out of conflict - but only if it is managed well!!

“The significance of a man is not in what he attains but in what he longs to attain” -

GJ

GOOD LUCK!

“

# Secretary's Report

Today, Jaffna Hindu College Old Boys Association (UK) proudly celebrates its 25th year Silver Jubilee together with its cultural event, Kalaiyarasi2012. It gives me great pleasure to welcome you all for gracefully accepting our invitation and being present here. I am sure you all are eagerly awaiting a feast of fantastic entertainment.

The current committee took charge in October 2010 under the leadership of Mr. S Senthilnathan. Together, the committee has worked tirelessly on many projects during its tenure. Cultural event, "Kalaiyarasi2011" was held on 21 May 2011 at Ilford Town Hall. Our members overwhelmingly supported the event and it was a mega success with net profits made in excess of £10,000.

As promised at last AGM, we have now successfully completed the Principal's Quarters project. Two students from Jaffna Hindu were selected as part of a delegation to compete at International Junior Science Olympiad 2011 last year in Durban, South Africa. We partly funded their travel. One of our students won the Bronze medal at the competition.

Currently, our committee is working on a new project; free evening classes for vulnerable children at Mahadeva Padippaham, Ottisuttan, Sri Lanka. Initial undertaking is to fund this project for the first three years with regular evaluation. Further updates will be made available at our AGM later this year.

The committee is also looking at providing further scholarships to students from North and East of Sri Lanka. If you wish to sponsor a scholarship, kindly contact me for further details.

Finally, I thank all our members, their families & friends and sponsors for all the support, especially the media for publicising the event to make it remarkably success and memorable one.

# யாழ் இந்துவின் கேணி

தகவல் தொழில்நுட்ப மாற்றங்களின் உயர் நாடியாக இன்று இணையம் வளர்ச்சியடைந்து வருகின்றது என்பதில் இரு வேறு கருத்துக்களுக்கிடமில்லை. பல்வேறு சமூகத்தளங்கள் வெவ்வேறு தேசங்களில் பரந்துபட்டு வாழும் மக்களை ஒன்றிணைத்து வருகின்றது. இவ்வாறு பல தளங்கள் உருவாக்கப்பட்டிருந்தாலும், ஓர் கல்லூரியை முன்னிலைப்படுத்தி கல்லூரி சமூகத்தினரை ஒன்றிணைத்து கருத்துப்பகிர்வுகளை மேற்கொள்ளவும், இணையத்தள தகவல் திட்டியாகவும் (Database) உருவாக்கப்பட்ட பெருமை எமது யாழ்ப்பாணம் இந்துக் கல்லூரியின் கேணிக்கே (Kerni) சமர்ப்பணம்.

## யாழ்ப்பாணம் இந்துவின் தகவல் களஞ்சியம் கேணி

யாழ்ப்பாணம் இந்துக்கல்லூரி அன்று தொட்டு இன்று வரை யாழ் மாவட்டத்தின், ஏன் ஈழத்தமிழரின் ஓர் அடையாளமாக இருந்து வருகின்றது. கல்வி சேவையுடன் மட்டுமன்றி கலை கலாச்சார விளையாட்டு மட்டும் பிற செயற்பாடுகளை மாணவர்களுக்கு வழங்கி வருகின்றது.

இந்துவின் மைந்தர்கள் இன்று பல்துறை விற்பன்னர்களாக இலங்கையில் மட்டுமன்றி பிறநாடுகளிலும் தமது திறமையினை பறைசாற்றி வருகின்றனர். யாழ் இந்து சமூகம் யாழ்ப்பாணத்தில் மட்டுமன்றி கொழும்பு, அவுஸ்ரேலியா, அமெரிக்கா, கனடா, லண்டன், சுவீஸ், நோர்வே, ஜேர்மனி என பல இடங்களில் சங்கங்கள் அமைத்து புலம்பெயர் நாடுகளில் கலை கலாச்சார வளர்ச்சிக்கு அரும்பாடுபட்டு வருகின்றனர். அனைத்து பழைய மாணவர்கள், ஆசிரியர்கள், அதிபர்கள், மாணவர்கள் மற்றும் நலன் விரும்பிகளை நன்றிணைக்கும் முகமாக அமைக்கப்பட்ட ஓர் இணைய தகவல் களஞ்சியமே கேணி ஆகும்.

ஆலமர்க்கிளை போல உலகெங்கும் பரந்து வாழும் இந்துவின் மைந்தர்களை ஒன்றிணைக்கும் இத்தளம் 2009 ஆம் ஆண்டு தைப் பொங்கல் நன்னாளிலே jaffnahindu.org இணையக் குழுவினரால் உத்தியோக பூர்வமாக அதிபர், மற்றும் பழைய மாணவர் சங்கங்களின் நல்ஆசியுடன் ஆரம்பித்து வைக்கப்பட்டது.

யாழ்ப்பாணம் இந்துக் கல்லூரியின் இணையத் தகவல் தொகுப்பிற்கு ஏன் கேணி எனப் பெயரிடப்பட்டது என சந்தேகம் ஏழலாம். ஓர் ஆலயத்தின் தீர்த்தக் கேணியானது

எவ்வாறு நீரை ஒன்று திரட்டி தன்னகத்தே வைத்திருக்குமோ, அதே போலத்தான் இந்தக் கேணியும் இந்துக் கல்லூரி சமூகத்தின் தகவல்களையும், சமூகத்தினையும் ஒன்றிணைத்து வைத்திருக்கின்றது. அத்துடன் கேணி என்பது வேறு நீரோட்டங்களுடன் கலக்காமல் எப்போதும் புனிதமாகவே காணப்படும்.

இங்கு கல்லூரியின் அதிபர், ஆசிரியர்கள், மாணவர்கள், பழைய மாணவர்கள், பழைய மாணவர் சங்கங்களின் பூரண விபரம் தொகுக்கப்பட்டு பதிவேற்றப்பட்டுள்ளது.

## கேணியில் அங்கத்தவராக இணைதல்

www.ekerni.com என்ற முகவிரியினூடாக இந்துவின் கேணியைப் பார்வையிடலாம். கேணியில் அங்கத்தவராக இணைவதற்குரிய மின்படிவம் பூரணப்படுத்தப்பட்டு பிரத்தியேக பயனாள் பெயரும், கடவுச் சொல்லும் வழங்கப்படும். இங்கு மாணவர்கள், பழைய மாணவர்கள், ஆசிரியர்கள் தமது தகவல்களைப் பதித்துக் கொள்ளலாம். ஒரு இந்துவின் மாணவன் அல்லது பழைய மாணவன் கேணியில் இணைந்து கொள்ளும் போது கல்லூரியில் கற்ற வகுப்பு, இணைபாட விதானச் செயற்பாடுகள் கல்லூரியில் மேற்கொண்ட சாதனைகள் போன்ற விடையங்கள் அடங்கிய விபரங்களைப் பதிவு செய்வதற்கான வடிவமைப்புக்கள் உருவாக்கப்பட்டுள்ளன.

கேணியில் பயனாளராக இணைந்து கொண்டால் மாத்திரமே ஏனைய பயனாளர்களுடன் தொடர்பு கொள்ளவோ அல்லது கருத்துப் பரிமாற்றத்தை மேற்கொள்ளவோ முடியும். அத்துடன் இது இந்து சமூகத்தின் பிரத்தியேகத்தளமாக மட்டுமே வடிவமைக்கப்பட்டுள்ளது.

இவ்வாறான ஒரு தளம் யாழ்ப்பாணம் இந்துக்கல்லூரியை மையப்படுத்தி ஆரம்பிக்கப்பட்டமை இந்துவின் மைந்தர்கள் அனைவரும் பெருமைப்பட வேண்டிய விடயமாகும். கேணியிலே மிக முக்கிய அம்சமாக விளங்குவது மதில், மதிலானது கருத்துப் பகிர்வுகளை மேற்கொள்ளவும், ஒருவர் தொடர்பான பசுமையான நினைவுகளைப் பகிர்ந்து கொள்ளவும் உதவுகின்றது. ஒவ்வொரு தனி நபருக்கும், ஆசிரியருக்கும், அதிபருக்கும் பிரத்தியேக மதில் அமையப் பெற்றுள்ளது. கேணி எனும் தகவல்

94 உயர்தரம்

“ஓர் ஆலயத்தின் தீர்த்தக் கேணியானது எவ்வாறு நீரை ஒன்று திரட்டி தன்னகத்தே வைத்திருக்குமோ, அதே போலத்தான் இந்தக் கேணியும்”

தளம் 1700 மேற்பட்ட பழைய மாணவர்கள், மாணவர்கள், ஆசிரியர் முன்னாள் அதிபர் ஆசிரியர்கள் மற்றும் பழைய மாணவர் சங்கங்களின் தகவல்கள் ஒன்றாக இணைத்து உருவாக்கப்பட்டுள்ளது. நீங்களும் இதில் இணைவதன் மூலம் ([www.ekerni.com](http://www.ekerni.com)) உங்களது பழைய நண்பர்களின் தொடர்புகளை மீளவும் பெற்று பாடசாலை நினைவுகளை பகிர்ந்து கொள்ளலாம். உயர்தரப் பாடசாலைகளில் இப்படியான ஒரு தகவல் தளத்தினை கொண்ட பாடசாலை உலகிலேயே யாழ்ப்பாணம் இந்து என்றால் மிகையாகாது.

### மாணவராகப்பதிவுசெய்தல்

கல்லூரியின் மாணவர்கள் இந்தத் தளத்தில் தங்களைப் பதிவு செய்து கொள்ள முடியும். ஒவ்வொரு மாணவனுக்கும் பிரத்தியேகமான மதிலும் அமைப்பெற்றிருக்கும். மாணவர்கள் தமது வகுப்பு நண்பர்களுடன் கருத்துப் பகிர்வினை மேற்கொள்ள ஒவ்வொரு தரத்தினருக்கும் பிரத்தியேக மதில் உருவாக்கப்பட்டுள்ளது. அதுமட்டுமல்லாது தமது பிரதேசத்தினைச் சேர்ந்த பழைய மாணவர்களுடன் இலகுவாக தொடர்பு கொள்ள முடியும். இதன் மூலம் மாணவர்கள் பழைய மாணவர்களுடனும், பழைய மாணவர்கள் சங்கங்களுடனும் தொடர்பினை பேணவும், மற்றும் பழைய மாணவர்களின் கற்றல் சம்பந்தமான அறிவுரைகள் அனுபவங்களையும் பகிர்ந்து கொள்ள முடியும்.

### பழையமாணவர்கள்

அனைவரினதும் வாழ்விலும் மறக்க முடியாத பாடசாலைக் கல்வியும், பாடசாலை நண்பர்களும் தான். அவ்வாறு பல்வேறு தேசங்களின் பிரிந்திருக்கும் நண்பர்களை ஒன்றிணைப்பதில் கேணி பெரும்பங்கு வகிக்கின்றது. ஒவ்வொரு பழைய மாணவனுக்கும் பிரத்தியேக மதிலும் உண்டு. பிரிந்து போன கல்லூரி நண்பர்களுடன் மீள இணைவதற்கும், வாழ்வின் இன்பதுன்பங்களைப் பகிர்ந்து கொள்வதற்கு களம் அமைத்துக் கொடுக்கப்பட்டுள்ளது. உயர்தர வகுப்பு வாரியான தேடுதல்களை மேற்கொள்ளக்கூடிய வகையில் அமைக்கப்பட்டுள்ளது. கல்லூரி அன்னையுடன் மீள இணைந்து கொள்வதற்கு பழைய மாணவர்களுக்கு இதுவே வரப்பிரசாதமாகும்.

மாணவர்கள் தமது கல்விப் பரீட்சைப் முடிவுகளை சுட்டிலக்கங்களுடனும், மற்றும் பட்டங்கள் பதவிகளை சேமித்து வைக்கலாம். ஆனால் இது மற்றவர்களால் பார்வையிட முடியாது (Not for Public) இது தகவலை சேமித்து வைப்பதற்காகவே அமைக்கப்பட்டுள்ளது.

### பழையமாணவர்சங்கங்கள்

எமது கல்லூரியின் பழைய மாணவர் சங்கங்கள் உலகம் முழுவதும் 11 சங்கங்களாக செயற்பட்டு வருகின்றது. கேணியில் பழைய மாணவர் சங்கங்கள் தொடர்பான அனைத்து விடயங்களும் உள்ளடக்கப்பட்டுள்ளன. பழைய மாணவர் சங்க நிர்வாகக் குழு விபரம், தொடர்பு கொள்வதற்கு தேவையான விபரங்கள், பழைய மாணவர்கள் சங்க செய்திகள் என்பன சிறந்த முறையில் தொகுத்து பிரசுரிக்கப்பட்டுள்ளது. பழைய மாணவர் சங்கங்கள் ஒன்றுடன் ஒன்று தொடர்பு கொண்டு கல்லூரி வளர்ச்சி சம்பந்தமாக முயற்சிகளை முன்னெடுக்க இது ஓர் அரிய சேவையாக அமைந்துள்ளது.

### ஆசிரியர்விபரம்

எமது கல்லூரி, கல்வியின் கலங்கரை விளக்கமாய் திகழ்வதற்கு முக்கிய பங்காற்றிக் கொண்டிருப்பவர்கள் எமது கல்லூரி ஆசான்களே கேணியில் கல்லூரியின் முன்னாள் ஆசிரியர்கள், ஆசிரியர்களின் விபரங்கள் அவர்களது படங்களுடன் தொகுக்கப்பட்டு அனைத்து விபரங்களும் உள்ளடக்கப்பட்டுள்ளது. ஆசிரியர் இந்துவில் இணைந்த திகதி, கற்பிக்கும் பாடம், கழகங்களின் பொறுப்பு விபரம், தொடர் விபரங்கள் என்பன சிறப்பாகத் தொகுத்தமைக்கப்பட்டுள்ளது. ஒவ்வொரு ஆசிரியருக்கும் பிரத்தியேக மதில் அமையப் பெற்றுள்ளது. இவையாவும் கடவுச் சொல் மூலமாகவே பார்வையிடலாம்.

### அதிபர்விபரம்

இந்து அன்னை 1980 ஆம் ஆண்டு முதல் மிகச் சிறந்த அதிபர்களைக் கொண்டு அவர்களின் சிறப்பான சேவையூடாக வளர்ந்து வருகின்றாள். கேணியில், கல்லூரி அன்னைக்கு அரும்பணியாற்றிய அதிபர்கள் அனைவரினதும் தகவல்கள் ஆண்டு வரிசையில் அவர்களது புகைப்படத்துடன் சிறந்த முறையில் தொகுக்கப்பட்டுள்ளது. ஒவ்வொரு அதிபர்களைப் பற்றிய சிறு குறிப்புக்களும் பதிவேற்றப்பட்டுள்ளது. அனைத்து அதிபர்களுக்கும் பிரத்தியேக மதில் உள்ளது இங்கு அதிபர்கள் தொடர்பான பசுமையான நினைவுகளைப் பகிர்ந்து கொள்ள முடியும். யாழ்ப்பாணம் இந்துக் கல்லூரியின் தகவல்களைத் தாங்கியிருக்கும் கேணி, பயனாளர்களின் பிரத்தியேக பாதுகாப்பினை உறுதிப்படுத்துகின்றது. மற்றும் கேணி தொடர்பான ஆலோசனைகளை இணையக் குழுவினருடன் பகிர்ந்து கொள்ளக் கூடிய வகையில் அமைந்துள்ளது.

அதுமட்டுமல்லாது யாழ்ப்பாணம் இந்துக் கல்லூரி சமூகத்தினருக்கு இலவச மின்னஞ்சல் சேவையும் வழங்கப்பட்டு வருகின்றது. (பயனாளர் user@jaffnahindu.org எனும் விதத்தில் மின்னஞ்சல் முகவரி அமைந்திருக்கும். உயர்தரப் பாடசாலைகளின் வரலாற்றிலேயே இவ்வாறான தகவல் பரிமாற்ற தளம். (Data Bass Portal) அமையப்பெற்றமை எமது இந்துக் கல்லூரிக்கு பெருமை சேர்க்கும் விடயங்களுடன் ஒன்றாக இணைந்து கொள்கின்றது. இந்த வலைப்பின்னலின் இணைந்து கொள்ளாத இந்துவின் மைந்தர்கள். இதில் இணைந்து கொண்டு சர்வதேச யாழ் இந்துக்கல்லூரி சமூகத்துடன் இணைந்து கொள்ளுங்கள் இதன் மூலம் உங்கள் நண்பர்களுடன் தொடர்புகளைப் பேணல், அதிபர், ஆசிரியர்களுடன் தொடர்புகளைப் பேணல், கற்றல் வேலை வாய்ப்பு தொடர்பாக பழைய மாணவர்களின் உதவியைப் பெறல், உலகளாவிய பழைய மாணவர் சங்கங்களின் தொடர்பினை ஏற்படுத்துதல் போன்ற பல நன்மைகளைப் பெறலாம்.

இந்து சமூகத்தினர் அனைவரும் இந்துவின் புனித கேணியில் தீர்த்தமாடி என்றென்றும் இந்துவின் மைந்தர்களாக வாழ்ந்து, கல்லூரி அன்னையை வளர செய்வீர்களாக.

எவ் விட மேலினும் எத்துயர் நேரினும்  
எம்மன்னை நின்னலம் மறவோம்  
வாழிய யாழ் நகர் இந்துக் கல்லூரி,  
வையகம் புகழ்ந்திட என்றும்,

A decorative floral border is located in the bottom right corner of the card. It features several green tulip leaves and pink tulip buds. The background of the card is a soft gradient of yellow and orange, with faint, larger circular bokeh patterns in shades of green and pink. **புன்னகை மன்னா சுந்தரராஜா !**

நம்பமுடியவில்லை-சுந்தா  
காற்றிலே வந்த சேதி கனவாக மாறாதோ  
சுந்தா, என்று ஒரு வார்த்தை உன்னிடம் சொல்லிவிட  
காலன் தன் கடிகாரம் சற்று பின்னோக்கி போகாதோ?

யாழ்நகர் மத்தியில் அத்தியடியில் அவதரித்து  
யாழ் இந்துக்கல்லூரியில் கல்வி பயின்று  
கணக்காளராகிய எம் ஆருயிர் நண்பனே!

ஐக்கியராச்சிய எம் பழைய மாணவர் சங்கத்தில்  
பொறுப்புடனே பொருளாளராய் நீ ஆற்றிய பணியை  
பெருமையுடன், இந்துவின் மைந்தர் நாம் இரைமிட்டுப் பார்க்கின்றோம்  
கலையரசி நிகழ்வுகளில் நீ புரிந்து வந்த.....  
கண்ணியமான கடமைகளை கண்குளிர நினைக்கின்றோம்

நல்ல நண்பனாய் நட்புக்கு இலக்கணமாய்  
உணர்வுள்ள மனிதனாக உண்மையுள்ள ஓருயிராய்  
எப்பொழுதுமே புன்னகை முகத்தில் தவழ-சுந்தா  
உன்னைப்போல ஒருவனை இனி நாம் காண்பதெப்போ?

அமைதியின் விம்பமும் அறிவாற்றலின் தேடலும்  
என்றுமே உன் முகத்தில் நாம் கண்டோம்  
இன்றோ எம் இதயத்தில் மாறாத சோகத் தழும்பாய்-சுந்தா  
ஜீவித்ததின் இறுதி உண்மையினை நீ அனைத்துக் கொண்டாய்.  
எங்களை மட்டும் அழ வைத்து விட்டு.....!
