## *School Hymn*

Have you heard the golden city  
Mentioned in the legends old  
Everlasting light shines o'er it,  
Wondrous tales of it are told.  
Only righteous men and women  
Dwell within its gleaming walls.  
Wrong is banished from its borders  
Justice reigns supreme o'er all.

We are builders of that city,  
All our joys and all our groans  
Help to rear its shining ramparts  
All our lives are building stones.  
But the work that we have builded  
Oft with bleeding hands and tears  
And in error and in anguish  
Will not perish with the years.

It will be at last made perfect,  
In the universal plan.  
It will help to crown the labours  
Of the toiling hosts of man.  
It will last and shine transfigured  
In the final reign of right,  
It will merge into the splendour  
Of the city of the light.

## OUR NEEDS

### Physical Resource

□ We are in urgent need of an Administrative block as the prevailing Block is in repairable condition. We need a Communication Building for Aesthetic subjects, Library and ICT Unit, to facilitate the current education system- estimated 36 million.

□ I wish to inform that the newly built 3 science laboratories also need furniture and equipment, 2 million.

□ We have added an extra division in Grade 1 since 2011. We are in need of an extra classroom every year. So it's a must to establish primary section seperately.

### Human Resources

□ In Human resources we need two trained teachers for Mathematics to teach from Grade 6 to Grade 11, and a Sinhala teacher to teach from Grade 1 to Grade 9 also a teacher for Western music from Grade 6 to grade 11.
