MESSAGE FROM Hon. LEADER, SLMC

I am greatly honoured in being called upon to contribute a message to the souvenir published by the South Eastern Cultural Association on the occasion of felicitating Dr. Abdul Gaffoor of Addalachanei in his achievement of receiving a Doctorate in law from the Knightsbridge University of London.

I came to know Abdul Gaffoor when he joined the university of Colombo to begin his education in Law. It is not an exaggeration to state that Abdul Gaffoor impressed me a great deal from the very first meeting. In the humbleness of his behavior and the temperament of his personality. I always felt that there was hidden, within this young man, a useful and responsible citizen with a bright future. I have since followed his progress with a lot of admiration and therefore it is not a surprise that he was able to reach the pinnacle of his law studies with a Doctorate. It is remarkable that Dr. Abdul Gaffoor is the first Ph. D holder in law from our region.

The South Eastern region is full of talents and resources. Our boys and girls are not second to anyone else from any part of the world. Poverty, inadequacy of proper education in the English Language, lack of teaching facilities, presence of the ethnic tension and the ongoing war, and improper home environment etc. did not deter their determination to march successfully towards their respective goals.

Dr. Abdul Gaffoor has set the example for others to emulate. We are proud of him. Our region too is proud of him. We are grateful to his parents and to all his teachers. May Allah shower his choicest blessings on him. May he be in the eternal embrace of our beloved prophet. I wish him all success.

Dr. Abdul Gaffoor's achievement in the field of Law is most laudable. Dr. Gaffoor received his primary and secondary education at Addalaichhenai and Ka;munai Zahira. At a young age he had completed his LL.B. and qualified as an Attorney - at - Law of the Supreme Court in 1992. He received his LL.M. in the field of Public International Law from the University of Helsinki, Finland. He also received his PhD from the Knights bridge University of London. He has received a large number of scholarship for pursuing in the field of Law in foreign countries . He is presently a member of the Academic Staff in the Faculty of Law in the University of Colombo.

According to my knowledge, Dr. A. L. Gaffoor is the only Eastern province Lawyer who had attained a very high Academic distinction in the field of Law which no one else so far had equalized.

Message from President ARA. Azeez

Let me at the outset thank and appreciate a timely and appropriate decision of the South Eastern Cultural Association to felicitate the academic and professional achievement of Mr. Atham Lebbe Abdul Gafoor of Addalaichenai for obtaining the highest postgraduate degree of Ph. D. in Law from Knightsbridge University of London.

I take much pleasure in forwarding a message of felicitation to the souvenir to be published in honour of Mr. Gaffoor.

It is always the person who feel pleased, happy and proud immediately next to himself, his parents, when any student is applauded are his teachers. Therefore I really, who had the previlage of begin his teacher and Principal, rejoy along with others on this marvellous occasion.

I do not really know whether Mr. Gaffoor was pleased to have me as his teacher and Principal of Addalaichenai Central College, but I was fortunate to have a batch of students like him.

I evaluate Mr. Gaffoor as an industrious, obedient student, very calm, but very deep in his thoughts and causious in his deeds. I always looked upon him as a student with a learning culture a very important aspect that very many students do not adhere to nowadays.

Let Mr. Gaffoor remains to be a model and example of "life Long Education", learning to learning, "Learning Culture", "Education for All" the challenging slogans of the next millennium.

Let me take pleasure in wishing Mr. Gaffoor a bright and prosperous future.
