Our school, Jaffna Hindu College hosts the matches this year. For the last two years, we could not conduct the matches owing to COVID 19. This year the organisers have decided to conduct this event amidst different crisis because the students who are deprived the benefit of this game due to COVID pandemic .

The cricket known as the gentlemen's game promotes leadership qualities among the students . It helps to improve mental and physical qualities such as speed, agility, flexibility and decision making. “ Too much of rest makes rust”. We must keep this in our minds.

I wish them a good game of cricket.

MESSAGE FROM THE PRINCIPAL OF HINDU COLLEGE COLOMBO

I have immense pleasure and pride in providing this message of felicitation to the “Battle of the Hinduities -2022” cricket match of the Hindu Colleges as the principal of Colombo Hindu College.

A school has to establish itself in the modern society as an institution not only by providing the knowledge but for the skills to develop the personality in the students to emerge in to talented professionals of high calibre. In this context, as the two eminent Tamil medium boys National schools of Sri Lanka, this cricket match becomes the occasion of great celebration and communion not only to the two schools but also of the two regions of our country. The game inculcate the students numerous capabilities and essential components of personality apart from the victory and defeat by providing them opportunity for developing the soft skills.

There is a huge passion for cricket and big number of popular cricketers in our country and that leads to the importance to this game at school level as well. Together with Jaffna Hindu College we are conducting Tamil debate competitions to develop the language skills of the students as well. It is an occasion and opportunity for strengthening the relationship between the two schools and among the students, parents, teachers and well- wishers and to bond them into the school organisation.

This Great event will provide the avenues for the development of both schools. I am profoundly obliged to say my thanks to the organising committee who have toiled tirelessly for a long time to make this event a success. I wish them all success and happiness in this great event abiding by the holy feet of almighty “Viththgavinayagar” of our school.

MESSAGE FROM THE VICE PRESIDENT SPORTS

I am privileged to send this message on this special occasion to congratulate both teams who are excited to meet at the field on the 10th and 11th of June 2022. “The battle of the Hinduities” is an annual cricketing encounter between Hindu College Colombo and Jaffna Hindu College. We are thrilled to watch the game of cricket after two years as the event could not take place in 2020 & 2021 due to COVID-19 restrictions. This year marks the 11th big match between both colleges.

Both Hindu colleges uphold a long history and possess strong academic records. We have produced thousands of Doctors, Engineers, Accountants, and other professionals. Despite an outstanding track record in academics, sports including cricket have been historically neglected in Hindu College Colombo due to various practical challenges. However, currently, the Old Boys Association along with the principal has recognized sports including cricket a strategic priority with a mission to develop sports on par with the academic accolades of the college.

In this respect, “The battle of the Hinduities” provides an opportunity to develop cricket in the school while allowing the West and North to unite and share each other’s cultural values despite geographical distance. This makes the event one of a kind compared to other big matches played between leading schools in the country.

I wish both teams to exhibit a good game of cricket with the true spirit of sportsmanship. This event undoubtedly will further strengthen the relationship between Hindu College Colombo and Jaffna Hindu College and add great value to the brotherhood while significantly contributing to our vision to develop sports including cricket.

Finally, on behalf of OBA of Hindu College Colombo, I would like to express a sincere appreciation and a big thank you to all those who contributed to making this event successful including, but not limited to principals of both colleges, both teams, coaches, sponsors, organizing committee, and my colleagues in OBA.

Dr. Rajiv Nirmalasingham G

Vice President Sports -OBA
Hindu College Colombo.

Stay safe and healthy!
