Social Science Documentation Centre (SSDC) of the National Library is the National focal point of the Asia Pacific Information Network of Social Science (APPINESS). The APPINESS meeting held in Bangkok in 1986 assigned the member countries the responsibility of collecting statistical information in the respective countries with regard to libraries, information centres etc. in the field of Social science.

The SSDC brought out "The Directory of Social Science Libraries, Information Centres and Data Bases in Sri Lanka" in 1986. The Directory was in great demand both nationally and internationally.

Information given in any directory gets outdated after a certain period. Therefore the SSDC made an effort to update this Directory and to bring out the second edition.

This includes 90 institutions and the respective entries are arranged according to the alphabetical order. Each entry carries the following information; the name of the organization, Postal Address, Telephone Number, Date of establishment of the library, Chief Librarian's Name and total staff, Subject coverage, Bibliographic tools, The total number of books, Periodical titles, Special collection, Membership, Services and Publications.

I am very thankful to all the Librarians and Officers-in-charge of the Libraries of Ministries, Government Departments, Corporations, Research Institutions and many private organizations who cooperated with the National Library in providing necessary information for the compilation of this Directory.

I am grateful Ms. Nalini de Silva, DD Actg. for compiling and designing the layout, Ms. Champika de Mel, Asst. Librarian, Mr. M.A. Milton Asst. Librarian - Publications and Ms. Shamini Senaratne, Miss. Srma Sooriyabandara, Library Assistant of the Social Science Documentation Centre for their collective effort in bringing out this publication.

MRS. ISHVARI COREA,  
CHAIRPERSON,
