MINUTES BY THE GOVERNOR.

HIS EXCELLENCY THE GOVERNOR is pleased to direct that the following rules for the registration and custody of Security Bonds required to be given by Public Officers in favour of the Crown be substituted for those contained in all previous Minutes on the subject of Security Bonds; and all such Minutes are hereby cancelled.

1. All Security Bonds when endorsed by a Crown Counsel as being in due form will be registered in the Audit Office. The Auditor-General will cause the date of registration to be endorsed on the bond, and he will give to the officer furnishing security a certificate of registry. Every such bond shall be recorded in the office of the Colonial Treasurer, and shall then be delivered to the Auditor-General for safe keeping.

2. A period of three months from the date of appointment will be allowed for the registration of Security Bonds. In case of improper neglect on the part of any public officer to furnish the required security within this period, his office shall be deemed vacated and a fresh appointment may be made thereto.

3. Application for the form of bond should in all cases be made by the officer concerned to the Colonial Secretary or Auditor-General immediately after appointment; and it will be the Auditor-General's duty to bring to the notice of Government any unnecessary delay upon the part of officers in making application.

4. An officer when applying to the Colonial Secretary or Auditor-General for forms of Security Bond should take care to state the nature of the office for which the bond is required, and of the security proposed to be given.

5. The scale of securities for the Second and Third Classes of the Civil Service will be as follows:—

For the Second Class.—Personal bond for Rs. 10,000.

For the Third Class.—Personal bond for Rs. 6,000.

6. Collateral security must in all cases be furnished of the nature described in section 2 of Ordinance No. 14 of 1890, and equal in amount to that given in the personal bond.

7. Officers holding acting appointments must, unless specially exempted by the Governor, give the same security as though they were confirmed.

8. No bonds will be received the forms of which have not been obtained from the Colonial Secretary or Auditor-General. Every such bond shall be attested by any District Judge, Commissioner of the Court of Requests, or Justice of the Peace, or by any two subscribing witnesses.

9. Officers should forward their bonds to the Auditor-General with as little delay as possible, in order to allow the necessary time for their examination by that officer and by any Crown Counsel, whose duty it will be to satisfy themselves as to the general and legal sufficiency of the security tendered.

10. No security bonds will be accepted unless they are executed either in England or in Ceylon.

11. Heads of Departments whose subordinates are required to give security are required to see that they do so within the prescribed time.

12. Heads of Departments may, if they deem it necessary, require any person appointed to subordinate offices on their establishment to furnish proper security before entering upon their duties. In every such case a report should be made to Government.

13. Where security bonds are in the custody of Heads of Department, and real property is mortgaged as collateral security, the Head of the Department to which the officers who have given such security belong shall cause a re-appraisal to be made biennially of the property so mortgaged, and shall report to the Colonial Secretary that this has been done.

14. All security bonds which have been registered in the Audit Office shall be inspected annually by the Attorney or Solicitor-General and the Auditor-General during the first quarter of each year, and the validity of such as have been impaired by any change in the character or designation of the office or appointment in respect of which security is given shall be reported to the Colonial Secretary.

15. When title deeds are hypothecated as collateral security, the amount at which the properties named in the deeds have been appraised should be set forth, and the appraisal report should invariably be attached to the title deeds.

16. Where bonds of any Guarantee Association are hypothecated as collateral security by subordinate officers, the Heads of Departments are responsible for seeing that the renewal or premium receipts are furnished from time to time, and are transmitted to the Auditor-General.

The following information concerning sunken rocks at Chemulpho anchorage has been received from Commander T. Uriu of H.I.J.M.S. Akagi, dated December 3, 1891.

He has received report from Captain Hall of H.M.B.S. Severn, that Captain Leu of H. I. C. M. S. Ting-Yeng has found the following sunken rocks:—

A rock with a depth of 7 ft. on it is situated in Flying-fish channel with east extremity of Pirie island bearing about N. $\frac{3}{4}$ E., and summit (524 ft.) of Simson island about E. by N., distant $1\frac{1}{10}$ mile.

Another rock with two fathoms of water on it is situated off Pender rock northward of Young-Hung-Do with summit of this island bearing about S. $\frac{1}{4}$ E. and North Watcher about N. E. $\frac{1}{4}$ N., distant $\frac{5}{10}$ mile.

The positions of these rocks are considered to be approximate, and the date of discovery is doubtful.

Australia—North-West Coast.—Non-existence of certain Reefs; and particulars of Baleine Bank and Walker Rock.

The following Notice to Mariners (No. 624 of 1891) issued by the British Admiralty is republished:—

The following information has been received from Commander W. U. Moore. H.M. Surveying vessel Penguin, dated October, 1891—the result of recent examination of the several localities on the north-west coast of Australia:—

- (1) *Non-existence of Reef in lat. $13^{\circ} 35'$ S., long. $125^{\circ} 13'$ E.*

Search was made during three days, under favourable conditions of sea, for the reef charted as lying in about lat. $13^{\circ} 35'$ S., long. $125^{\circ} 13'$ E., and marked as “not seen in Cushie Doe, 1881”; an area extending about 10 miles around this position was sounded over, but no trace of

shoal water was observed. The depths obtained were 30 to 45 fathoms, over an even bottom, consisting generally of coral, sand, and shells.

Consequent on this unsuccessful search, the reef has been removed from the Admiralty Charts.

(2) *Non-existence of Expedition Island.*

Expedition island, originally reported by the Commander of the barque *Tien Tsin* in 1865, and charted as lying (the centre) in approximately lat. $15^{\circ} 34'$ S., long. $123^{\circ} 46'$ E. The Penguin, drawing 17 ft. water, was anchored in the above position in 32 fathoms water; an examination for a radius of 3 to 5 miles showed that the bottom was uneven, and there were indications of shoal water 3 miles to the west and north-west of the vessel, but no land or sandbank was visible from aloft at low water neap tides. The Penguin approached the reported island on the bearing S. by W., distant 8 miles, and left it bearing N. by E., distant 30 miles, without seeing any danger. The description given of this island agrees fairly well with that of Adèle island lying in the same parallel of latitude, but about 33 miles westward.

Consequent on this examination, Expedition island has been removed from the Admiralty Charts.

NOTE.—Shoal water extends farther south of Adèle island than has heretofore been charted. The Penguin found very uneven bottom, in lat. $15^{\circ} 46\frac{1}{2}'$ S., long. $123^{\circ} 17'$ E., the least depth being 8 fathoms over coral. Nothing, however, was seen to indicate danger, but the locality should be navigated with caution.

(3) *Particulars of Baleine Bank and Walker Rock.*

1. Baleine bank marked “P. D.” The western point of this bank lies in lat. $16^{\circ} 46'$ S., long. $121^{\circ} 49'$ E.; thence it was examined for a distance of 5 miles eastward, the general depths being 24 ft. over coral, and the least water 18 ft. The bank appeared to extend some miles farther eastward.

NOTE.—The locality around the 7 fathoms struck in 1890, in lat. $16^{\circ} 43'$ S., long. $121^{\circ} 37'$ E., has been examined, but no danger was found; depths of 12 to 18 fathoms over coral exist between it and Baleine bank; the sea was much discoloured with patches of mud and lime, having the appearance of sunken rocks, but none were discovered.

2. Walker rock, a small coral patch with 24 feet water on it, is situated in lat. $16^{\circ} 52\frac{1}{2}'$ S., long. $121^{\circ} 48\frac{1}{2}'$ E.

NOTE.—The tides in the neighbourhood of Baleine bank are rotatory, with a velocity of one to $2\frac{1}{2}$ knots an hour; the flood stream at first makes south and works round eastward; at half flood it sets east; and at high water north; the ebb stream at first sets north and works round westward; at half ebb its direction is west and at low water south.

Variation 2° easterly in 1891.

L. VANDERSTRAATEN,
Accountant.

Kandy, December 8, 1891.

Report on the Sanitation of the Town of Kandy for the Month of November, 1891.

General Health.—Owing to the prevalence of wet weather the town people suffered to some extent from chest complaints and fever during the month. There was only one case of chickenpox, reported on the 24th instant, from Bogambra. The patient was isolated, and precautions were taken to prevent its spread.

Vaccination.—Vaccinator, W. T. Wijesingha :—

Number vaccinated	159
Successful	88
Failed	2
Absent	69

Re-vaccination :

Number vaccinated	11
Successful	5
Failed	1
Absent	5

The above return of vaccination, furnished by the Medical Department, shows 159 (chiefly children), vaccinated in the month of November, of which number 88 were successful and 2 failed. Sixty-nine of those vaccinated did not present themselves for examination, so that the result of the operation on them could not have been known.

Slaughter House.—Black cattle and buffaloes presented for examination daily were in a fairly satisfactory condition. Owing to the scarcity of cattle, the butchers state that very well conditioned ones are not obtainable.

Market.—The market was daily inspected, and as a rule found to be clean. Two stall-keepers were prosecuted for committing nuisance and fined Re. 1 each.

Latrines.—The Municipal latrines were found to be clean during the month. The sanitary condition of the Police latrine opposite Messrs. d'Esterre's, reported in my previous reports, has not yet been attended to.

Drains.—In view of the prevalence of cholera at Matale, I had occasion to invite attention, by special report, to the insanitary state of drain in Ward street and that opposite the Maligawa. The state of the latter drain was also alluded to in my report for the month of October, but nothing seems to have been done to improve its insanitary condition.

THEODORE MORGAN,
Health Officer.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on
November 7, 1891, at 2.15 p.m.

Present:—The Chairman (P. A. Templer, Esq.); H. J. Deslandes, Esq.; T. S. Clark, Esq.; W. E. de Vos, Esq.; W. Abayasundera, Esq.; and E. R. Anthonisz, Esq.

1. Read and confirmed Minutes of last Meeting.

2. Read a letter No. 810143 of October 29 last, from the Clerk to the Executive Council, intimating that the Governor in Executive Council has sanctioned an additional loan of Rs. 10,000 for the Galle Waterworks, on condition that the water-rate is assessed at 7 per cent., and that an Ordinance to amend Ordinance No. 2 of 1890 will be laid before the Legislative Council; but that the remuneration of Rs. 1,500 to the Provincial Engineer cannot be sanctioned.

Proposed by Mr. W. E. de Vos.

The Council admit that special provision was not originally made for payment of any remuneration to the Provincial Engineer, and that the question of such payment was not specially submitted to the taxpayers of the Fort when their consent was obtained to the raising of a loan for the Waterworks.

The Council, however, desires to point out that, had not the services of Messrs. Smith and Deslandes been available for designing the work, for preparation of detailed estimates and specifications (for contracts), and for supervision of the work while in progress, it would have been absolutely necessary to engage a special officer for these purposes, as the Council's Superintendent of Works has had no experience in works of this nature (which call for skill and knowledge such as can only be looked for in a professional engineer). It is for the Government to say whether the services rendered to the Council by Messrs. Smith and Deslandes from a legitimate portion of their legitimate duties; but if they are not so considered, the Council is of opinion that those services should be adequately remunerated, and that such remuneration may fairly be charged to the Waterworks loan, provided that the sum required for construction is not exceeded.

Seconded by Mr. T. S. Clark.—Carried.

3. Read letter No. 1,258, dated October 7 last, from the Acting Inspector-General of Police, asking payment for brandy supplied to the policemen engaged in cholera duty at Galle.

Resolved,—That the Council adheres to the opinion already expressed, that this is not a legitimate charge on the funds of the Municipality, and it views with satisfaction the assurance of the Inspector-General of Police that in future no brandy will be purchased for consumption by the Police in the expectation that the Municipal Council will pay for it.

4. Read letter No. 444 of October 3 last, from the Secretary, Municipal Council, Kandy, proposing a conference of the three Councils of Colombo, Kandy, and Galle to consider whether a general Ordinance applying to all the Councils can be agreed to, or whether separate schedules are required by each Council.

Resolved,—That the Council is prepared to appoint representatives to confer with those of the other Councils at Colombo; the time of meeting to be decided by the Councils of Colombo and Kandy. The Chairman and Mr. E. R. Anthonisz to represent this Council.

5. Submitted tenders received for the Gintota toll rent for 1892.

Resolved,—That the tender of Kumarawada Nicoris Arachchy for Rs. 7,400 be accepted.

6. Submitted results of sale by auction of the rents of (1) The fish auction shed; (2) the Talbot town bathing-wells; and (3) the breadfruit trees at the Bazaar triangle.

Resolved,—That the highest bids for each of these rents be accepted, viz., of Meepe Cottowe Gamage Robert and Don Theris de Silva Jayasekara for the rent of the fish auction shed of Rs. 2,100; of Abdulla Cassim Ibrahim for the rent of the Talbot town wells of Rs. 140; of Kornelis Samerakoon for the rent of the breadfruit trees at the Bazaar triangle of Rs. 11.

7. Submitted a letter from the Manager of the Royal Mail Coach, applying for permission to erect a coach-house and eighteen stables for horses on the premises of house No. 20, Middle street.

Resolved,—That permission be absolutely refused.

8. Submitted list of new buildings and enlarged and improved buildings within Police limits with the assessed annual valuation of each.

Resolved,—That the lists be referred to the Councillors of the respective Wards, and that their valuation be adopted.

Resolved,—That the assessment of property for the current year be, in terms of section 139 of the Municipal Councils Ordinance, adopted as the assessment for 1892.

9. Submitted a letter from certain residents of Church and Leyn Baan streets, requesting that water pipes be laid along those streets.

Resolved,—That endeavours be made to meet their views by a re-arrangement of the pipes.

10. Submitted the following reports:—(1) Reports on permanent and surface repair of roads in October last; (2) Report on progress of works in October last. Ordered that the reports be circulated among the Members of the Council.

11. Submitted accounts brought up to October 31, 1891.

12. Moved by Mr. W. E. de Vos, "that this Council desires, on the eve of the retirement of the Chairman from office, to record its regret at his removal from Galle, and its sense of the deep obligation under which he has laid the Council by his strict and prompt attention to business of all kinds brought up before it, and the admirable manner in which he has performed all the duties of his responsible office, and also to wish him all prosperity in his new sphere of business."

Seconded by Mr. E. R. Anthonisz.—Carried.

The Chairman, in reply, returned thanks to the Council for the favourable opinion it had formed of his work. His relations with them had always been of the pleasantest, and no difference of opinion ever disturbed the harmony of their proceedings. He desired also to take this opportunity of placing on record the obligation under which he lay to the Secretary, who had rendered him invaluable aid in the discharge of his duties; and to thank in general all the officers of the Establishment for their willing and loyal services.

Confirmed :
E. ELLIOTT,
Chairman.

In default of payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof be declared forfeited by a resolution of the Board to that effect.

in his bankruptcy requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. 43. *Payments in anticipation of Calls at Interest.*—The Directors may, at their discretion, receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholders and the Directors may agree upon, not exceeding, however, six per cent. per annum.
