SUPPLEMENTS.

Police Weekly Circular No. 955.

No. 50 of Volume IX. of the *Supreme Court Circular* was published on November 20 last.

MINUTES BY THE GOVERNOR.

THE Right Honourable the Secretary of State has had under his consideration the employment on a more extended scale in the service of the Government of persons born and bred in Ceylon.

2. And in pursuance of His Lordship's instructions, His Excellency the Governor has been pleased to direct the publication of the following scheme for the formation of a Subordinate Service.

3. Certain appointments, some hitherto ranked in the Civil Service and others which may be added hereafter, are to be set apart and classified as the "Lower Division" of the Civil Service, to be filled by persons born and bred in Ceylon, whose families are permanently resident in the Island.

4. As soon as it can be done without prejudice to existing Civil Servants, advantage will be taken of suitable vacancies to set apart the following posts, which are, however, to be regarded as liable to be interchanged with other posts in the Higher Division, as well as to be reduced in number by transfer to the Higher Division, at the discretion of the Governor, subject to the approval of the Secretary of State :—

CEYLON CIVIL SERVICE.

Lower Division.

Office Assistants :—Galle, Kurunégala, Batticaloa, Ratnapura.

Police Magistrates :—Jaffna, Kalutara.

Landing Surveyors :—Jaffna, Galle.

Deputy Fiscal, Colombo.

Assistant Collector of Customs, Trincomalee.

Police Magistrates :—Avisáwélla, Chilaw, Kayts, Mátara, Galagedara.

Four Cadets.

5. Appointments to the Lower Division will be made by the Governor, who will be guided by the following principles.

6. In selecting young men who have little or no previous service under Government, nominations will be limited to candidates who have passed the Senior Standard of the Cambridge Local Examination, or any other public examination which may be deemed to be of an equally high standard, whose respective merits will be further tested by a competitive examination. After appointment they will be required punctually to pass the examinations prescribed for the Civil Service in Law, Accounts, and the Native Languages.

7. The Governor will at the same time have the power, subject to the approval of the Secretary of State, of occasionally appointing to the Lower Division, without examination, older men possessing aptitude for public business. In appointing such men regard will be had to their ability, social standing, high reputation, and long experience. After appointment they may be required to pass whatever examination in Law, Accounts, and Native Languages may be prescribed for each by the Governor, and within such period as may be required.

8. All persons appointed to the Lower Division will serve for the first two years on probation, irrespective of such term as they may serve as Cadets, and thereafter subject to their punctually passing the prescribed examinations.

9. Appointments to the under-mentioned posts in the Higher Division of the Civil Service may, in exceptional cases, be made by the direction or with the sanction of the Secretary of State, after the interests of all existing Civil Servants have been safeguarded. Persons born and bred in Ceylon, whether they belong to the Lower Division or not, will be equally eligible if their merits seem to justify the consideration of their qualifications, and other circumstances appear to make desirable the selection of a candidate not of the Civil Service.

SCHEDULE.

Higher Division.

Class II.—District Judge of Batticaloa, Registrar-General, Director of Public Instruction, Inspector-General of Police, Inspector-General of Prisons.

13. *One of Joint-holders other than a Firm may give Receipts: the first-named of Joint-holders only entitled to Vote.*—Any one of the joint-holders of a share other than a firm may give effectual receipts for any dividends payable in respect of such share, but the Shareholder whose name stands first on the register, and no other, shall be entitled to the right of voting and of giving proxies and all other advantages conferred on a sole Shareholder.

14. *Survivor of Joint-holder other than a Firm only recognised.*—In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognised by the Company as having any title to, or interest in, such shares.

15. *Company not bound to recognise any interest in Share other than that of registered Holder or of any Person under Clause Twenty-nine.*—The Company shall not be bound to recognise (even though having notice of) any contingent future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause twenty-nine to become a Shareholder in respect of any share.

19. *Certificate to be delivered to the first-named of Joint-holders not a Firm.*—The certificate of shares registered in the names of two or more persons not a firm shall be delivered to the person first-named on the register.

TRANSFER OF SHARES.

20. *Transfer of Shares.*—Subject to the restriction of these Articles any Shareholder may transfer all or any of his shares by instrument in writing.

21. *No transfer to Infant or Person of Unsound mind.*—No transfer of shares shall be made to an infant or person of unsound mind.

22. *Register of Transfers.*—The Company shall keep a book or books to be called “The Register of Transfers,” in which shall be entered the particulars of every transfer or transmission of any share.

23. *Board may decline to register Transfers.*—The Board may, at their own absolute and uncontrolled discretions decline to register any transfer of shares by a Shareholder who is indebted to the Company, or upon whose shares the Company have a lien or otherwise, or in case of shares not fully paid up, to any person not approved by them.

24. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

25. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transfer, and a fee of rupees one and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles twenty-three, twenty-four, and twenty-six, shall register the transferee as a Shareholder, and retain the instrument of transfer.

26. The Directors may, by such means as they shall deem expedient, authorise the registration of transferees as Shareholders without the necessity of any meeting of the Directors for that purpose.

27. *Directors not bound to inquire as to validity of Transfer.*—In no case shall the Directors be bound to inquire into the validity, legal effect, or genuineness of any instrument of transfer produced by a person claiming as transferee of any share in accordance with these Articles; and whether they abstain from so inquiring, or do so inquire and are misled, the transferor shall have no claim whatsoever upon the Company in respect of the share, except for the dividends previously declared in respect thereof, but only, if at all, upon the transferee.

28. *Transfer Books when to be closed.*—The transfer books may be closed during the fourteen days immediately preceding each Ordinary General Meeting, including the first General Meeting; also, when a dividend is declared for the three next days ensuing the meeting.

TRANSMISSION OF SHARES.

29. *Title to Shares of deceased Holder.*—The executors or administrators of a deceased Shareholder shall be the only persons recognised by the Company as having any title to the shares of such Shareholder.

30. *Registration of Persons entitled to Shares otherwise than by Transfer.*—Any guardian of any infant Shareholder, or any committee of a lunatic Shareholder, or any person becoming entitled to shares in consequence of the death, bankruptcy, or liquidation of any Shareholder, or the marriage of any female Shareholder, or in any other way than by transfer, shall, upon securing such evidence that he sustains the character in respect of which he proposes to act under this clause or of his title, as the Company think sufficient, be forthwith entitled, subject to the provisions herein contained, to be registered as a Shareholder in respect of such shares, or may, subject to the regulations as to transfers hereinbefore contained, transfer the same to some other person.

31. *Failing such Registration Shares may be sold by the Company.*—If any person who shall become entitled to be registered in respect of any share under clause 30 shall not, from any cause whatever, within twelve calendar months after the event on the happening of which his title shall accrue, be registered in respect of such share, or if

in the case of the death of any Shareholder no person shall within twelve calendar months after such death be registered as a Shareholder in respect of the shares of such deceased Shareholder, the Company may sell such shares, either by public auction or private contract, and give a receipt for the purchase money, and the purchaser shall be entitled to be registered in respect of such share, and shall not be bound to inquire whether the events have happened which entitled the Company to sell the same; and the net proceeds of such sale, after deducting all expenses and all moneys in respect of which the Company is entitled to a lien on the shares so sold, shall be paid to the person entitled thereto.

SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such Shareholder, requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

Terms of Notice.—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment, and such interest and expenses as aforesaid, are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

In default of payment Shares to be forfeited.—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter, before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

Shareholder still liable to pay Money owing at time of Forfeiture.—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment, at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board shall think fit.

35. *Effect of surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in, and also of all claims and demands against, the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share; and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be affected by any irregularity in the proceedings in reference to such forfeiture or sale.

Forfeiture may be remitted.—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share, *bonâ fide* sold or re-allotted, or otherwise disposed of under Article thirty-four hereof, shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such person. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

40. *Certificate of Sale.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that the power of sale given by clause 38 has arisen, and is exercisable by the Company under these presents, shall be conclusive evidence of the facts therein stated.

41. *Transfer on Sale how executed.*—Upon any such sale, two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer, with the certificate last aforesaid, shall confer on the purchaser a complete title to such shares.

CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Share-

holders of the time and place appointed for payment of each call. If any Shareholder fail to pay any call due from him on the day appointed for payment thereof, he shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of actual payment.

Calls time when made.—A call shall be deemed to have been made at the time when the resolution authorising the call was passed at a Board Meeting of the Directors.

Extension of time for payment of Call.—The Directors shall have power in their absolute discretion to give time to any one or more Shareholder or Shareholders, exclusive of the others, for payment of any call or part thereof on such terms as the Directors may determine. But no Shareholder shall be entitled to any such extension except as a matter of grace or favour.

43. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up, and upon the moneys so paid in advance, or upon so much thereof from time to time and at any time thereafter as exceeds the amount of the calls then made upon, and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding, however, six per cent. per annum.

BORROWING POWERS.

44. *Power to Borrow.*—The Directors may from time to time, at their discretion, borrow any sum or sums of money for the purposes of the Company, and may raise or secure the re-payment of such moneys in such manner and upon such terms and conditions in all respects as they think fit, and may issue debentures of the Company charged upon all or any part of the property of the Company (both present and future), including its uncalled capital for the time being.

MEETINGS.

45. *Ordinary General Meeting.*—An Ordinary General Meeting of the Company shall be held at least once a year after the incorporation of the Company and oftener whenever the Directors shall so determine. The General Meeting shall take place at such time and place as the Directors shall appoint, provided, nevertheless, that a General Meeting of the Company shall be held within six months after the date of the registration of the Company; but such General Meeting shall not (unless otherwise determined at such meeting) be considered to have been in lieu of that hereby appointed to be held in the first year after the incorporation of the Company.

46. *Extraordinary General Meeting.*—The Directors may, whenever they think fit, call an Extraordinary General Meeting, and the Directors shall do so upon a requisition made in writing by not less than one-eighth of the number of Shareholders holding not less than one-eighth of the issued capital and entitled to vote.

47. *Requisition of Shareholders to state object of Meeting; on receipt of requisition Directors to call Meeting, and in default Shareholders may do so.*—Any requisition so made shall express the object of the meeting proposed to be called, shall be addressed to the Directors, and shall be sent to the registered office of the Company. Upon the receipt of such requisition the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall determine. If they do not proceed to convene the same within seven days from the delivery of the requisition, the requisitionists may themselves convene an Extraordinary General Meeting, to be held at such place and at such time as the Shareholders convening the meeting may themselves fix.

48. *Seven Days' Notice of Meeting to be given.*—Seven days' notice at least of every General Meeting, Ordinary or Extraordinary, and by whomsoever convened, specifying the place, day, hour of meeting, and the objects and business of the meeting, shall be given to the Shareholders entitled to be present at such meeting in manner herein-after mentioned, but an accidental omission to give such notice to any Shareholder shall not invalidate the proceedings at any General Meeting.

49. *Business requiring and not requiring Notification.*—Every Ordinary General Meeting shall be competent without special notice having been given of the purposes for which it is convened, or of the business to be transacted thereat, to receive and discuss any report and any accounts presented thereto by the Directors, and to pass resolutions in approval or disapproval thereof, and to declare dividends, and to elect Directors and Auditors retiring in rotation, and to fix the remuneration of the Auditors, and shall also be competent to enter upon, discuss, and transact any business whatever, of which special mention shall have been given in the notice or notices upon which the meeting was convened.
