## President's Message

*Standing for what you believe in, Regardless of the odds against you, and the pressure that tears at your resistance----- means Courage.*

*Keeping a smile on your face, when inside you feel like dying, for the sake of supporting others ----- means strength.*

*Stopping at nothing even at high pressured times, and doing what's in your heart, you know is right----- means determination.*

*Doing more than is expected, to make another's life a little more bearable, without uttering a single complaint----- means compassion.*

*Helping a person (member) in need, No matter the time or effort, To the best of your ability----- means loyalty.*

*Giving more than you have, and expecting absolutely nothing But absolutely nothing in return----- means selflessness.*

*Holding your head high, and being the best you know you can be when life seems to fall apart at your feet, facing each difficulty with the confidence that time will bring you better tomorrow's, and never giving up----- means confidence.*

*For eleven years along with the executive committee and the help of some well wishers, I have worked hard to build the Association and bringing it to this level. I sincerely hope that the future presidents and committee will continue to do the same as we all did to keep the Association running and making it grow bigger. I want to take this opportunity to thank all of those who helped and supported the committee and myself to bring the Association to this level*

*Let me wish you all the best of luck from the bottom of my heart for a bright future.!!!*

*Siva Navaratnam*

## *Committee's Message.....*

---

We congratulate you all for ending the season successfully. Still it was not upto our expectations but you all struggled enough and with the support of the Executive Committee somehow ended the season without leaving tournaments any on pending!

The most important fact is that each and every player should be smart and mature enough to identify all players individually, the teams, Captains, Managers, Helpers, Volunteers, Supporters, and the Executive members and beware about their negative qualities and appreciate their positive qualities. If this could be done there will not be any problems or misunderstandings among anybody and we can continue to play cricket peacefully. There are some characters cause most of the problems in the field. Try and identify them then ignore them for good. If you can tell them straight to their face it is even better.

Another important issue is that all the teams must realize that wining and losing is part of all games. " Must Win At Any Cost" -Throw Bowling, Threats, fights, Cheating, Etc - This attitude must change and try to be sportive at all times. Please realize that others are also Cricketers and they no game as well as you do. Please be co-operative generous and flexible enough to handle any situations. Nor committee members neither the umpires are paid to do this job. It is only a voluntary job and all are doing the level best to their ability. Please learn to accept their discsion without any disputes.

Our future goal is to run a training camp for Youngster to learn to play Cricket and to have our own playing fields. If you all keep supporting the Association that could be obtained in the near future. We all know majority of us

love the game of cricket and some of us are crazy about it. So we all should work hard to keep the Association so that we

will have cricket in Canada for us and for our generation as well.

Good Luck & Best wishes for 2006.

*Executive Committee.*

## *President's Award-2005*

**Hari Jeyakumar**

of

**Donmills Street Boys Cricket Club**

Hari is a fine Cricketer and a well behaved individual on and off the field. He is also the heart and soul of his team. Apart from his team involvement Hari has done a lot for the Association in the past few years. With the help of his team mates he has been setting up the grounds and dismantle them at the end of the Tournament for the past three years. If anyone asked him to umpire a game, He umpired many games without any hesitation. This year he joined the Executive Committee of the Association as a sports secretary and did most of the tournament arrangements such as calling the Teams and Draws. He also helped the Association in fixing up the fields when they were damaged. Without a doubt he is the best candidate and a well deserved person for this award.
