Secretary's Message

I am privileged to write this message for this annual souvenir as Secretary of W3CC. Our achievements during the past year are a reflection of the flair and dedication of the members, resulting in a persistently high standard of performance.

My association with the club began seven years ago at its inception. During this time I have seen steady progress. In this regard, I would like to thank my predecessors for their meritorious contributions towards the continued success of the club.

It has been our motive to fulfill the sporting and social aspirations of the community by introducing various activities, consequently, the number of club members has grown.

Speaking of membership, I wish to convey a special thanks on behalf of the club to the many non playing members whose substantial contributions in various ways we cannot discount.

I would also like to welcome those new members whose infallible contributions will further add to the strength of the club and wish them a long and pleasant association with us.

In conclusion I thank our sponsors over the past season and look forward to their continued support in the future.

Manager's Message

It was a pleasant surprise to be elected as the Club Manager for 1991 and would like to take this opportunity to thank the members for entrusting me with this position.

I have been involved with the club since its founding in 1985 and have watched it grow steadily from an initial twelve members to a complement of fifty members. During this time we have gained a reputation as one of the foremost Sri Lankan cricket clubs in London.

This year the club has won the Ceylon Cricket League and was the runner up in the Kreedaa and the Indoor Cricket Leagues. The football team was runner up in the Ealing Five-a-Side Indoor Tournament. We hope that this level of success is maintained throughout the remainder of the season.

I would like to congratulate all the individual award winners for their consistent performances during the season; in particular to Siva for his batting contribution and to Thomas for the few matches he played in, for bringing a "Caribbean" flair to the game.

Finally I wish to take this opportunity to thank the Managing Committee, members and their families and also our supporters who have devoted a great deal of their time and energy to the promotion and advancement of the West Three Cricket Club.

Captain's Message

First of all I thank every member of West 3 for electing me as the Captain for the 1991 season. Certainly, I know that it is going to be a different experience than I have had before with my team.

Everyone knows that West 3 is one of the leading Sri Lankan Cricket Clubs in London. This is due to every club member's contribution and sacrifice. It is also realised the need to maintain the sportsmanship and friendship not only within the club, but also with other cricket clubs. I truly hope that this will continue in the future and that our players will keep the morality to play a good game.

I am always proud of our non playing members and supporters who give their invaluable support to our team so that they might play a high standard of cricket. I look forward to their continued solicitous support not only for the team, but also for other club activities. I welcome all new playing and non playing members to the club and hope they will greatly enjoy themselves.

"The aim of sports is not to get the victory, but to maintain sportsmanship not only on the ground, but also throughout our lives. Clean and fairplay will lead to victory."

Thanking you

V Paul Prahalathan

1990 SEASON

Now that another season has passed by let's recall some happenings or at least let's try.

In the Kreedha League we almost got the cup but we were happy at least to be runners up.

Sana was our captain throughout the year. Leading us to Ceylon League victory a cause of great cheer.

Being unbeaten proves it was not all down to luck though we had no official mascot we had Sana's duck!

There were many "fifties and over" on our winning ways and Siva with five was best batsman many days.

Raj once again managed a tremendous one hundred score. Ensuring a place in our clubs history and folklore.

Thomas with his flair and power sent many league opponents for an early shower.

Jeya found his old form and pace, made many a batsman fall from grace.

Thamil and Patrick really came of age, with their batting and bowling they set the stage.

There were many other performances which do not look much on paper. But without them it would have just been a scraper.

The young ones, the old ones, the invalids - we are just one happy family. Multiplying, expanding, exploring - quite happily!

Runners-up, Middlesex Cricket Union Enfield District Six A Side Indoor League.

For the first time we made an attempt to come to grips with indoor cricket which is altogether a different ball game.

After a poor start we soon got the hang of the different skills and attitudes required to become a major force in the league. We adapted to the quick thinking, sharp fielding and other little idiosyncracies required to succeed.

"Thomas", soon became a byword, once at the crease the balls came thick and furious from all angles; beware spectators, scorer and umpire! This was one game where the spectator was as actively involved in the game as the cricketers, ducking and diving as part of the course of events!

Most of all the best thing about this adventure was the great new friends we made. We thank the Enfield Middlesex Union for inviting us to play in their league and look forward to returning for the next session for more antics!

Leinster openers pave way

AN OPENING stand of 95 between Brian Buttimer and Joe Byrne

On a track on which the bounce was variable this still represented a formidable total and though CY made a fair fist of trying to reach it, they eventually had to surrender to the pace of Paul Prahalthan, Alastair Blair and Tom McDonnell when within 30 runs of their objective.

Fintan Kelleher, with four fours in succession, Chris Macey, whose last three scoring strokes were boundaries, and Colin Younger, who had five fours in his 26, all adventurously took on the bowling but Prahalthan, a 26-year-old Sri Lankan who is going to do well with bat as well as ball this season, was the overall winner with five for 49 in 14 overs.
