JAFFNA CENTRAL COLLEGE OLD BOY'S ASSOCIATION OF CANADA

Message from the President

As the President of Jaffna Central College Old Boys Association, it is indeed a privilege for me to bring this message. It is exciting to be back with our Centralites, bring past memories, thousands of miles away from our homeland.

We are here to enjoy the Battle of the North, staged on the friendly pitch at the Sunnybrook Park, Toronto. For each and every Centralite and Johnian, it brings back pleasant flash back of good old days of Jaffna. On behalf of Jaffna Central College Old Boys' Association, we welcome our former Teachers, Old Boys, their families and friends to this afternoon of fun and joy. We take this opportunity to thank the Committee members and others who have worked hard to make this event a successful one. Special Thanks to the Cricketers for providing the entertainment in good spirit and sportsmanship.

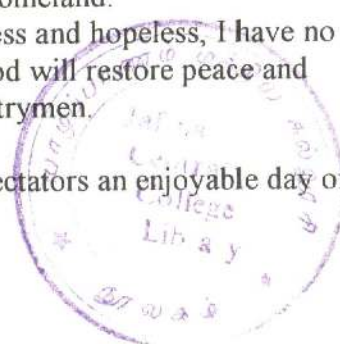

While celebrating an important sports event of our Schools, one cannot resist thinking and feeling sad about the current situation of our homeland.

Although we may feel helpless and hopeless, I have no doubt that through prayer God will restore peace and harmony to our fellow Countrymen.

I wish the Teams and the spectators an enjoyable day of Cricket.

JAFFNA CENTRAL COLLEGE OLD BOYS' ASSOCIATION OF CANADA

MESSAGE FROM THE SECRETARY

On behalf of Jaffna Central College Old Boys' Association of Canada, I wish to extend a very warm welcome to all Old Centralites, Old Johnians, their Families and the cricketers to the Fifteenth Big Match and the Seventh Veterans Big match encounters played in Toronto since 1989 and 1997 respectively. As the Secretary of our Alumni Association, it is exciting to be back with our Centralites and Johnians, bringing the past memories of the Big matches.

Cricket has become a part of life for most prestigious Colleges of the North, especially Jaffna Central and St. John's, who have been playing since 1901.

The first match was Captained by R.R.Nalliah of Central. Our Alumni Association had taken keen interest in the activities of the College in the recent past and one of our greatest cricketers K.Thomas and his friends from all over the World visited Jaffna during this year's Big match season. On behalf of the members of Canada we presented cash gifts to the Central Cricketers who won the Big match played in 2002, along with the Coach and the Ground steward. We are also informed that for the first time Central - St.John's played a limited over game won by St.John's, which will be continued in future years. Another unconfirmed good news was that Central- St.John's Big match will be played for a duration of three days from next year.

Let me take this opportunity to thank all the Members of our Old Boys' Association and the Committee for their enthusiastic and active support and participation.

While I wish Good Luck to both Teams, may I whisper a few words to them,

“ WINNING IS NOT EVERYTHING;
IT IS THE PARTICIPATION THAT COUNTS”.

With Best Wishes,
S. J. RAVINDRAKUMARAN
